**ALTER SHERIDAN RD.
EXTENTION PROJECT**

(Continued from page 3)

In connection with the proposed Sheridan road extension through to Laurel.

The request of Deerfield-Shields high school for special rate on vehicle licenses was denied.

The Highland Park fire department was granted permission to hold their annual dance on March 17, 1930, in accordance with their request therefor.

The report of the building department for the month of January, 1930, was ordered placed on file.

Estimates Approved

The following estimates were approved and vouchers ordered issued in payment of same:

Chamberlain Metal Weather Strip Co. metal weatherstrips on new City Hall	\$ 245.00
Harry W. Greene Construction Co. 2 1/2% due on maintenance on Dean Avenue and Cary Avenue Bridges	1210.67
Harry W. Greene Construction Co. 2 1/2% due on maintenance on Forest Avenue and Waverly Road bridges	716.77
Harry W. Greene Construction Co. extra for bronze tablets for Forest Avenue, Waverly Road and Cary Avenue bridges	269.00

The mayor and city clerk be authorized to enter into a contract with

the Floor-It Company, Inc., for certain flooring in the new City Hall building in accordance with their bid submitted to the Council on December 23, 1929.

The mayor and city clerk were authorized to enter into a contract with Victor S. Pearlman & Co., for the furnishing of electric lighting fixtures for the new City Hall in accordance with their bid submitted to the council on December 23, 1929.

The maintenance clause in the specifications included in J. Cabonargi's contract with the City of Highland Park on the new City Hall building was cancelled in lieu of the five per cent cash retainer which is provided for in the contract.

Chas. Hunter Shows War Pictures to Rotarians

The feature of the weekly luncheon session of the Highland Park Rotary club Monday noon at the Moraine hotel was presentation by Chas. Hunter of the Sport Shop of a series of notably interesting—and instructive motion pictures of scenes of the World war. These films were some of those released by the signal service and were very fine, and Mr. Hunter's machine reproduced them beautifully. They were much enjoyed by the members in attendance.
