DOLLAR DAY HERE ON FEBRUARY 19TH

(Continued from page 3)

land Park Chamber of Commerce Dollar Day Bulletin, the purpose of which is to acquaint the people of this community with the offerings of the merchants on Dollar Day. This Bulletin will be issued about February 17 or 18, it is planned.

With all advertisements of Dollar day specials thus presented in compact form it is believed that Highland Park residents will be given the best possible opportunity of learning all about Dollar day and the values to be offered by the merchants on that date, Feb. 19. This Chamber of Commerce Dollar Day Bulletin will be circulated as widely as possible in the community, with a view to placing it in the hands of every potential buyer, and the people of the community are urged to look through its pages carefully to acquaint themselves fully with the hundreds of notable values there offered.

To Insure Values
This bulletin will be published under strict supervision to insure genuine values in the offerings advertised, so that the public may rest assured that these offerings will be far superior to the general run of "bargains" so often advertised. With general co-operation of merchants and merited interest on the part of consumers, Dollar day February 19 should be a notable success.

The Dollar day committee appointed by the Highland Park Chamber of

Commerce is composed of Abe Fell, chairman; J. B. Garnett, J. P. Steffen and Julian Smith. The list of business men who so far have signified their co-operation in the Dollar day project is as follows:
