**Basketball**

The Oak Terrace heavyweight and lightweight teams played the Deerfield Grammar school heavyweight and lightweight teams. The game was well played by both. The score for the heavyweights was 59 to 8 in favor of Oak Terrace. The score for the lightweights was 30 to 2 in favor of Oak Terrace also. Oak Terrace's record this year can hardly be beaten. Oak Terrace means to keep it inconquerable too!

**Makio Girl Reserves**

The Makios of the Oak Terrace school held their meeting February 7 at the Y.W.C.A. in Highland Park. Some of the Makios were presented with pins for regularity at meeting during the first semester. The girls played games, sang songs, and thoroughly enjoyed themselves.

**Girl Scouts**

The Girl Scouts of Troop 1 met at the Oak Terrace school, Monday evening, February 10, at 7 o'clock. The girls came in costumes but did not mask. Each girl brought a valentine

to be put in a box and then exchanged. A grand march was held and such pretty costumes were seen! After the march the girls went to their patrol corners. The little playlet each patrol planned was very amusing. Then the girls were served refreshments. They certainly enjoyed themselves.

The Girl Scouts have been having many interesting meetings and have done many good turns under the supervision of Captain Ethel Swan, Lieutenant Hazel Dawson, and Lieutenant Caroline Ghini. It is worth while for any girl to go to these meetings. To become a Girl Scout is to become a real wide-awake girl!

Bernice Swan.

**Picture Entertainment**

From Philadelphia came Mr. Ford to offer the pupils of Oak Terrace entertainment by showing them pictures dealing with history. These pictures were painted by the eminent painter Mr. Ferris. Mr. Ford told a story about each picture making the painting all the more entertaining. These pictures have not only artistic value but also historical value.

**Seven in Car Hit by Train Have Narrow Escape; One Is Hurt**

Seven passengers, jammed in a crushed car locked to the end of a caboose, last week were bumped a mile along the St. Paul railway tracks at Wadsworth with only one person being injured.

The long freight that backed across the crossing as the sedan attempted to pass continued in motion because none of the crew witnessed the crash. It continued backing until

the engine reached the water tank which was the objective.

During this bumpy and disconcerting ride the seven occupants of the car sat locked in the crushed jail to the caboose and speculated their fate, according to Deputy Sheriff Emmett Hastings.

Mrs. Emma Karl, 35, of Chicago, was the only person hurt. She suffered minor cuts across the forehead. She was removed to the Lake County General hospital where emergency treatment was given her. Later she returned to Chicago.
