After the awards were made, Mrs. Hutton talked to the girls of the long Girl Reserve chain of clubs that reached around the world and of which their clubs are each one friendly link. After the rally the girls viewed a most interesting exhibit of Chinese curios sent from the American secretary in Lan Chia Tan. Many articles, such as samples of pants for little children's jackets, shoes, and baby caps were made by these Chinese girls under the direction of Miss Owens, the Girl Reserve secretary in Lan Chia Tan, and Miss Ting Shu-Ching the general secretary there. Highland Park hopes to have another Guess What Box from some other country sent by Girl Reserves.

Bankers Down Shore Plan More Protection

Alarmed by the recent wave of robberies on the north shore, bankers of the north shore towns organized Monday to combat bandits. Their meeting was in the Hubbard Woods Trust and Savings bank, which was robbed of \$3,500 Wednesday of last week.

Collection of funds was begun to provide a reward for the capture of the Hubbard Woods bandits. Banks represented were those of Hubbard Woods, Winnetka, Glencoe and Wilmette. Banks of Evanston will be asked to join the organization. Robbery alarms and direct connection with the police of the north shore district have been suggested as means of protection.
