

Candidates for County Office File Petitions Last Week; More Coming

Eleven Republican candidates today filed petitions with County Clerk Lew A. Hendee for the April 8 primaries that will fill seven county offices. All five of the candidates for sheriff, H. A. Doolittle, Elmer Green, Edward A. Brown, Lester Tiffany and Edwin Ahlstrom, filed early. Two avowed candidates did not submit their petitions. Attorney Charles E. Jack, who is to run for county judge, said that his would be sub-

mitted later. Petitions for W. C. Petty, candidate for county superintendent of schools were to be filed later also.

Others to enter the race were:

County clerk, Lew A. Hendee; county judge, P. L. Persons; probate clerk, John R. Bullock; probate judge, Martin C. Decker; county superintendent of schools, T. A. Simpson, and county treasurer, Jay B. Morse.

Probability of Democrats filing for each of these offices became a possibility following a meeting of the party leaders. No other Republican candidates are anticipated.

Things to Cook

The following recipe is one which held its place for a long time as a favorite and was considered a "stand-by," though it is a very simple dessert and very quick and easy to prepare. This is given by request and may serve as a reminder, if you have not thought of it recently.

This recipe is from Blanc Mange with Custard and you will notice that in the Blanc Mange part, as in all cornstarch mixtures, the corn starch is cooked in a double boiler for at least 15 minutes. This not only improves the consistency but prevents a starchy taste.

Blanc Mange

- 2 cups milk
- 4 tablespoons corn starch
- 1/2 cup sugar
- 1/4 teaspoon salt
- 2 egg whites
- 1/2 teaspoon vanilla

Scald milk in double boiler, add corn starch and sugar mixed together and cook 15 minutes. Pour slowly onto stiffly beaten egg whites, beating constantly, return to boiler for two or three minutes, beating with whirl egg beater. Add salt and vanilla and pour into individual cups or molds which have been wet with cold water.

Place in refrigerator or other cold place to become firm, turn from molds and pour over them the following custard.

Custard

- 2 cups milk
- 2 egg yolks
- 1/4 cup sugar
- Speck of salt
- 1/2 teaspoon vanilla

Scald milk in double boiler, slowly pour part of it over the slightly beaten egg mixed with sugar, return to boiler and cook only until thickened and the mixture coats the spoon. Add salt and vanilla and let cool.

If cooked too long the custard may curdle, in which case beat well with whirl egg beater. By being careful, this will not happen.

One thing that is usually quite welcome in our meal planning is a variety in the quick breads, and the following recipe for Savory Luncheon Biscuits will be found appetizing as well as easy to prepare.

The standard baking powder biscuit recipe is used as the foundation for many of these interesting breads and biscuits, the variation being in the other ingredients used and the different treatment given.

Savory Luncheon Biscuits

- 2 cups flour
- 4 teaspoons baking powder
- 1/2 teaspoon salt
