Hints For The Home

Fish and Oysters

Pie made with fish and oysters is nourishing and satisfying. To make it, take the bones from boiled fresh cod and pull it to pieces. To each cup of soup stock of any kind. Season with salt and pepper and bake in a buttered baking dish, covered with a layer of mashed potatoes.

For curried oysters, drain and wash 25 oysters. Make on an ordinary pancake griddle. Throw the oysters, three or four at a time, on the griddle and brown on both sides. Lift quickly and place in a double boiler, which stands beside the griddle. When all the oysters are cooked add to them one tablespoon of butter, one-half tablespoon of flour, one-half tablespoon of salt, one tablespoon of curry powder, and a dash of cayenne pepper. Stir until the ingredients reach the boiling point and add one tablespoon of lemon juice and one small onion, grated.

When You Sew

When you baste, don't knot the end of your thread. Start by making two stitches in the same place. This will hold the end of the thread, but when you wish to pull out the basting, there will be no knot to mar the cloth's smoothness.

When you hem a skirt, take a double stitch every inch or less. This will make such a firm hem that if you rip a few stitches the rip will not extend more than an inch.

When you make buttonholes first mark them with a pencil. Then run a line of machine stitching all around the pencil mark. Then cut it and buttonhole it. The machine stitching helps to make a firmer buttonhole.

When you wish to hem table linen, first run it through the sewing machine hemmer without any thread in the needle. You will then have a neat, even hem turned, ready for sewing.
