Rev. F. Fitt Speaks At Bethany Church

Rev. Frank Fitt, of the Highland Park Presbyterian church, will be the special guest speaker at the Bethany Evangelical church on the coming Sunday evening at 7:45. Rev. Siemsen has introduced what he terms a series of "Happy Sunday Evening Services," beginning with February and continuing during the Lenten season. These services have been very well attended and the interest has been growing from week to week. Special speakers are being invited for each Sunday evening, most of them coming from Chicago and from the immediate vicinity. Many people who have not been attending church services on Sunday evening are enthused over the experiment and are hopefully expressing themselves that these services might be continued over a longer period of time. Special music such as quartets, solos, duets and instrumental numbers have been featured and have been keenly appreciated by those attending.

Mr. Fitt, being the senior pastor, in terms of the number of years of resident work, needs no introduction in Highland Park. He is known to everybody and we bespeak a good audience for him at Bethany next Sunday evening. A special invitation is extended to his many friends.

The general public is cordially welcomed.
