

Electrify Your Breakfast Table

Only \$3⁸⁵

A Manning-Bowman Toaster to toast quickly two large slices of bread at once. Bread turns automatically when you tip the door open . . . A \$5 value specially priced during March and April—slightly more “Little by Little”.

Make your toast and coffee at the table electrically, and thoroughly enjoy your morning meal. No trips back and forth to the kitchen. On one side you have the percolator to tempt you to a second or third cup of coffee—on the other, the toaster to keep pace with your appetite.

Only \$6⁸⁵

A Hotpoint six-cup Percolator to perk delicious, fragrant coffee to just the right strength. Has special dripless spout and safety plug fuse . . . A \$12 value specially priced during March and April—slightly more “Little by Little”.

“Bake” says the New Waffle Iron

. . . its automatic heat indicator changes from “Cold” to “Bake” when it is time to pour in the batter. No chance of waffles sticking—they’re sure to be deliciously crisp and brown every time. The iron is made by Hotpoint and is finished in shining nickel. Specially priced until March 31 . . . **\$7.85**

(No carrying charge, the “Little by Little” way.)

The Foursome Table Plug

priced at **\$2.50**, lets you use four separate appliances at one time. Other styles of table plugs as low as **\$1.25**

Turn the Switch and a heat pad brings quick, soothing warmth. It conforms to body curves and is indispensable when hot applications are needed.

Simplex . . . **\$7.50***
Universal . . . **\$9.00***

Quick, Dustless Cleaning

. . . with an electric cleaner. The flat nozzle of the Federal pictured slides under furniture and into corners, doing a thorough job. Priced, less attachments, at . . . **\$39.50***

* Slightly more when purchased the “Little by Little” way.
