It has now been translated into 886 languages and dialects and from 32,000,000 to 35,000,000 copies are sold annually. You need to know its message. ### On Going to Church

Go early to church. Not only be punctual, but be in your place before the hour when the service is announced to begin. Then you will not disturb other worshippers.

Go in reverent spirit. On the way remember whither you go. Avoid lightness of manner and conversation on worldly topics.

Before you enter, and as you enter the church, breathe a silent prayer of invocation for the influence of the Holy Spirit.

As you take your place, bow your head reverently in prayer for yourself and for all others who enter the sanctuary for the services about to begin.

Resolve that you will foster no thought, fix your eyes on no object, utter no word that will tend to divert your mind from the holy purpose for which you have come into this place.

As the minister enters the pulpit, offer an earnest, silent prayer in his behalf.

In all the service take an active part; as hearer, as worshipper.

At the close of the service, after a moment of prayerful silence, greet with cheerfulness and good will, all whom you happen to meet, remembering that Christian fellowship is a part of Christian worship.—Bishop Vincent.
