The Wonder Girl

She leaned forward—
Her brown eyes pleading,
Her carmine lips upturned,
Pursed and small.
Her cheeks tinged with red,
Her throat white,
Her arms extended—

Boxing Show at Fort Sheridan on Tuesday Evening of Next Week

The fourth boxing show of the year at Fort Sheridan between the boxing team from Fort Wayne, Detroit, Michigan, and the local soldier boxing squad will be held in the Post gymnasium next Tuesday evening, March 18, at 8:15 p. m.

There will be one bout at each of the boxing weights, from flyweight to heavyweight. In addition there

will probably be two extra bouts and a battle royal.

Among the champions of Fort Sheridan who will appear are Landkowski, flyweight; Schult, bantam-weight; Ramey, welterweight; Kostrewski, middleweight; and Mallory, heavyweight. These men have all starred in the previous shows held at this Post. The Fort Wayne list of fighters has not yet been received.

It is contemplated completing the card with several of the well-known boxers of the Great Lakes Naval Training station, such as Bednar,

Banks, Ylennen, Konka, Kelly, and others.

This show will be one of the most important of the year since it brings together the championship boxers of Wayne and Sheridan. The fighters who will participate will then go to the Sixth Corps Area Athletic Meet at Jefferson Barracks, Missouri, March 24, for the annual battles for the Corps Area championships.

HERE'S your opportunity to find out all about the new Frigidaire Hydrator.

Let us show you the Hydrator in actual

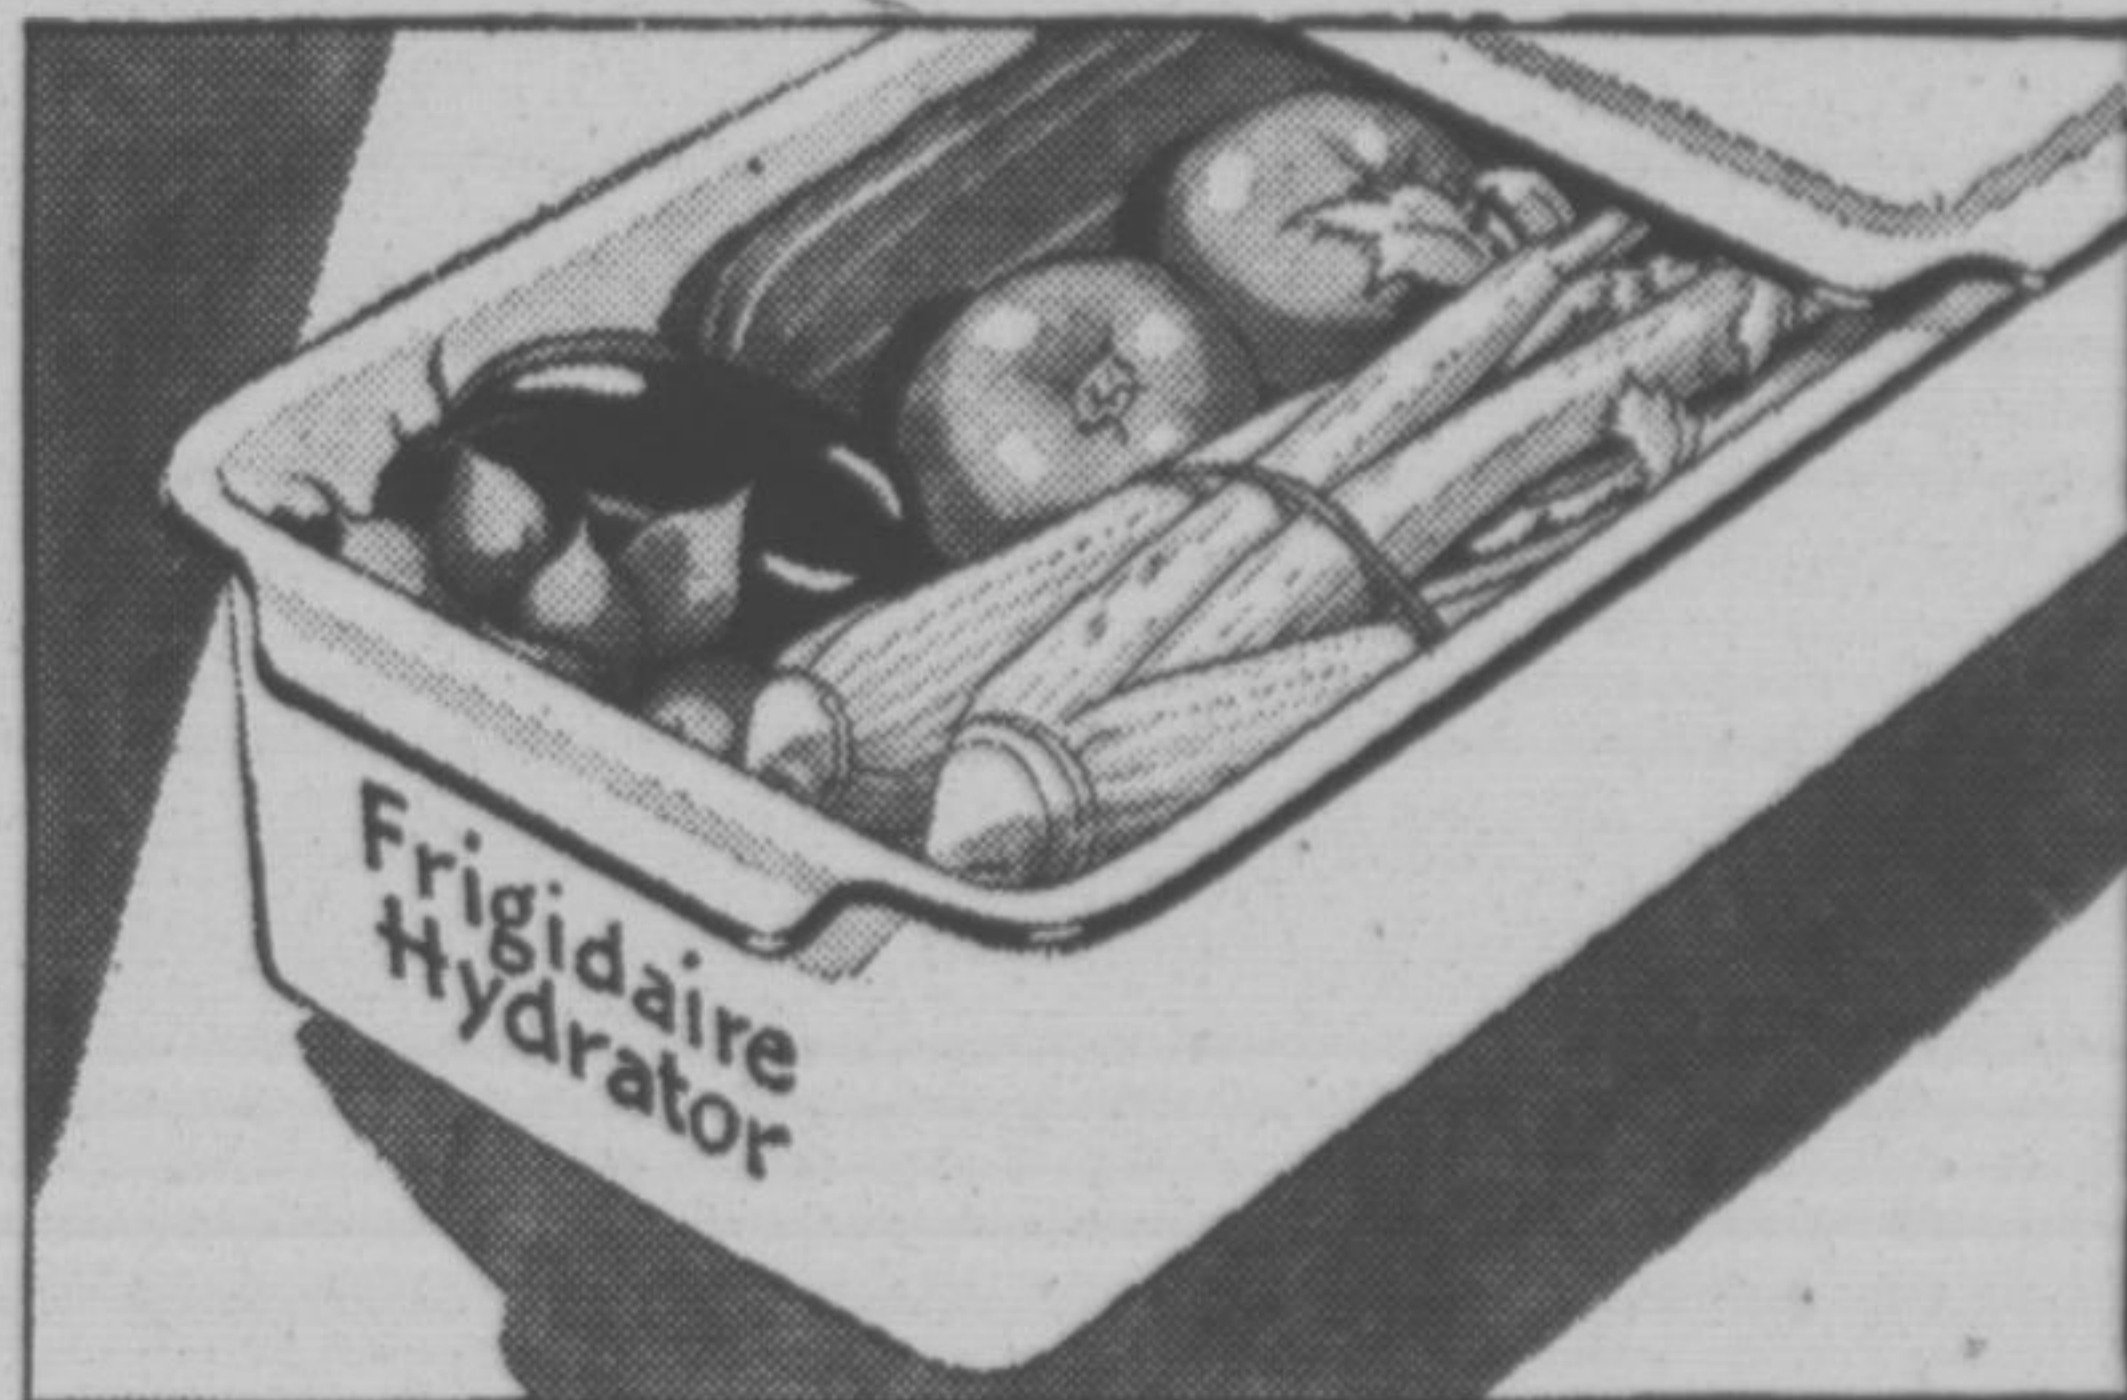

use—just as you would use it in your home. See how lettuce is made tender and brittle by the Hydrator's moist, reviving cold. See how celery, radishes and other greens take on added crispness—how tomatoes are improved in texture and flavor.

Let us show you how the famous Frigidaire Cold Control makes ice cubes faster — makes possible the

preparing of dozens of dainty, delectable salads and desserts that require extreme cold.

Buy "Little by Little"

Any Frigidaire may be purchased the "Little by Little" way. A small down payment puts it in your kitchen—ready to plug in. You pay the balance monthly, with your regular service statement, over a convenient period of time.
