

Women of Suburban Region Interested in Big Flower Show

With exhibitors from all over the country gathering their displays for the Central States Garden and Flower Show at the Chicago Stadium, April 5th to 13th, this exposition will be the largest and most extensive ever handled in the middle-west.

Because of the size of the stadium and the exceptional accommodations for visitors, it has been made possible for the exhibitors to develop real outdoor gardens in their various displays. From large trees to the smallest flower, these displays will exhibit all the latest designs and flora of the garden experts.

In addition to their various activities, the Garden Club of Illinois, which is sponsoring this great show, has started a big campaign among the juniors and as a result junior gardens will be given considerable attention at the exposition. There are eighty-four (84) garden clubs in Illinois, which are members of the Garden Club of Illinois. This organization is headed by Mrs. Frederick Fisher of Lake Bluff. The board of directors are Mrs. H. T. Alexander of Windsor Park; Mrs. Paul L. Battey of Glencoe; Mrs. J. Harris Bliss of Aurora; Mrs. E. G. Clark of DeKalb; Mrs. Charles E. Ewer of Wilmette; Mrs. William W. Geary of Deerfield; Mrs. Ernest C. Hoefler of Riverside; Mrs. Theodore E. Moritz of Kenilworth; Mrs. John T. Pirie of Lake Forest, and Mrs. Marcia Sperry of Batavia, Ill.

The main office of the Central States Garden and Flower Show is at 1800 West Madison street.

MANY VETS RETURN FOR BASEBALL TEAM; PREDICT BIG YEAR

Absence of Maestri Leaves Big Gap in Strong 1929 Infield

Prospects for the 1930 Deerfield-baseball team appeared to be very good. With time for intense practice drawing near, the veterans are warming up in the gym and outside on the warm days.

Among the boys of last year's team who will be out at the first call are Tom Rogan, Mike Maloney, Gordon Segert, Bert Berube, and Richie O'Connor.

Infield Hard Hit

The biggest drawback this season is in the infield. Marino Maestri will not be back this year to fill his regular berth at second base. Marino will be remembered as a flashy fielder and a reliable lead-off man. Last year he brought in the winning run in the last game of the season with Proviso. His single to right field with Berube and Segert on base did the trick, 6-5. Bert Berube, Tom Rogan, and Mike Maloney are back again to fill third base and shortstop and first base positions. Mike will no doubt receive some very hot competition from Gordon Segert who covered first base for a while in his freshman year. Coach Thurston is on the lookout for some fellows who will fill the big gap at second.

The catching duties will fall on the hard working Richie O'Connor. This will be Richie's fourth year of baseball and he has been outstanding in all of his past seasons. He has been lauded by numerous coaches, and opposing pitchers admit that he is no lemon at the plate. As yet, no one has loomed up to take Richie's place away from him.

Outfield Position Open

Martin and Segert will probably take care of the right and center field positions but left field is open, due to the graduation of Elmer Koon. Roy Smith is the most promising candidate for that berth, but he will be hard pressed by Lawrence Struss, brother of "Shorty" Struss, famous Deerfield-Shields pitcher of 1926. Lawrence hit for an average of .563 in the American Legion league. This is a whale of an average in any man's league.

The pitchers who will be back from last year are Fred Drakeman, Jimmy Sommerville, and Bruce Frost. Some new candidates are Witten and Allans. They have been showing good signs in the gym classes and may prove valuable assets to the team.

Burglars, apparently well acquainted with the storage features of the garage occupied by the Chicago and Waukegan Transfer company at 809 Lincoln street, Waukegan, last week broke the lock off of the office door at the garage and carried away four radio sets stored in the place.

Young Wife: Oh Charles, do come home. I've mixed the plugs in some way. The radio is covered with frost and the electric ice box is singing Moonlight and Roses.

Recent Proceedings in the Probate Court of Interest Locally
