Highland Park Methodist Church
 North Ave. at Lauretta Place

Frank Davidson Hopkins, Minister
 For a number of years past it has been the practice of the Chicago Church Federation to publish during the Lenten season, a daily message and prayer taken from the manual of the Fellowship of Prayer. This year this daily message is being printed in the Chicago Daily News, beginning last Wednesday, which was the beginning of Lent. These will be printed daily, except Sundays, until Easter, which comes this year on April 20. Already noon day meetings are being held daily in some of the Loop

theatres with large crowds attending. Nothing could be better for our individual spiritual health than to daily read the message and prayer for the day. Some of us who are in fine physical health are in very poor condition spiritually and need just such a daily tonic.

This coming Sunday the pastor hopes to be able to again attend the morning service and have a very brief message. He will have to assist him and also deliver a brief message, a representative of the Anti-Saloon league, who will give us some of the real facts regarding prohibition and its success,—for it has been a real success,—facts which we never get from reading the newspapers. Last Sunday Mr. Holgate preached a most excellent and interesting "Book Review" and the book of Job. There will also be some good music next Sunday.

Not for years has there been so much sickness in our church membership as of late and the effects are seen in both church and Sunday school. It is a great satisfaction to know that all these are now recovering and will eventually be in their places of service once more.

In an article recently written for the press by Judge Thomas C. Crane of New York, he asked the question as to whether parents and children go to church together, and then continues, "Your child sees you at your best when you worship. It is good for him to be with you when you are doing right."

The Epworth league meeting last Sunday was led by Max J. Houser and was a very interesting one, as it considered the topic, "What it means to be a Christian with your Money." Next Sunday Milton Roberts will lead and the topic will be "The Great Adventure." Turn out you young people and give Milton a good crowd and take part in the lively discussions that always characterize these gatherings.

First Church of Christ, Scientist

First Church of Christ Scientist, Highland Park, Ill., 381 Hazel avenue, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds services every Sunday morning at 10:45 and on Wednesday evening at 8 o'clock, when testimonies of Christian Science healings are given. Sunday school meets at 9:30 a.m., and is open to pupils between the ages of four and twenty.

Subject for next Sunday's lesson sermon, "Substance."

You are cordially invited to make use of the reading room, 361 Central avenue, where the Bible and all authorized Christian Science literature may be read, borrowed or purchased. The reading room is open every weekday from nine in the morning until six in the evening, on Wednesday until 7:30 and on Sunday afternoon from 2:30 to 5:30.

Bethany Evangelical Church

The presence of Presiding Elder A. J. Byas was an inspiration and encouragement to all who were at Bethany last Sunday.

A large number of the members and many friends of the church en-

joyed the annual congregational Fellowship dinner and business meeting Wednesday evening.

The W. M. S. was held at the home of Mrs. E. D. Fritsch, 336 Orchard lane, Thursday afternoon.

The Pageant group will meet Friday evening at 7:45 in the Philathea room. They will also meet Sunday afternoon at 2:30. This group is preparing to give "The Challenge of the Cross," a very timely pageant for the Lenten season. Its message will help to prepare the hearts of all who hear and see it for the great Easter time. The Pageant will be presented Sunday evening March 23.

Our Sunday services will be held at the usual hours. Church school will begin at 9:45. Morning worship at 11:00 a.m. at which time the pastor will speak. The Young People's service will commence at 7:00 p.m. Mr. A. S. Haag our assistant pastor during the past year will be the speaker. Mr. Haag has a very pleasing personality, a young man with many talents, who is preparing himself for the Christian Ministry. He is a student at the Evangelical Theological seminary. Come and hear him.

The Y. P. M. C. will meet at the church on Monday evening at 7:45. All of the young people are urged to come. Remember the contest that is on at present.

Our Mid-Week service will use "Coming to Terms with Life" as its basis of study for the coming weeks. Please read the daily devotions and be ready to relate your spiritual impressions. The Lenten season should help to double our attendance. Every Christian should attend the Mid-Week service.

Plans and preparations are being made for a 2-weeks series of "Life Investment" meetings which will begin March 30. Bishop S. P. Spreng, Bishop J. S. Stamm and a number of other church leaders will participate in these services. No one can afford to miss these meetings, they will mean much in helping those who are Christians to deepen their faith. They will be the means of helping others to find their way into the Kingdom.

First United Evangelical Church

C. G. Unangst, Pastor

The Church with the Open Bible

You are invited to the following services on next Sunday. Rev. S. B. Quincer, of Chicago, will preach at 10:45 a.m. Mr. George A. Ellis, a converted infidel, will occupy the pulpit at 7:45 p.m. Mr. Ellis is a business man, a member of the Fishermen's club, of Cicero, Illinois and a man who speaks out of the maturity of thought that comes from a varied experience in life associated with an earnest endeavor to gain a knowledge of the truth. Rev. Quincer has been a close student of the Scriptures and he always presents a vital message to his hearers.

The Sunday school meets at 9:30 a.m. It is always interesting to see people of all ages engaged in the study of God's Word. The lesson for Sunday bears the title, "Parables of the Kingdom." Matt. 13:24-52. Parents who have not visited our school recently are urged to attend that they

may know what is being done for their children. Young people who are not attending a Bible school elsewhere are invited.

Christian Endeavor meeting at 7:00 p.m. "Peter a Great Evangelist." Matt. 4:18-20; 16:16. Mr. Keys, Jr., of Lake Forest, leader.

Prayer meeting on Wednesday evening at eight o'clock.

Sunday, March 23, will be communion day. The preparatory service will be held on Wednesday evening, March 19.

Quite a number of testimonies of praise were given at the beginning of the service on last Sunday evening. Jesus Christ saves, keeps and comforts men and women today. A lady from a distance, a stranger in our city, expressed high appreciation of the service on Sunday morning. She was happily converted through a message which she heard over the air from the Moody Bible institute.

Here is God's message to those who have had a fair degree of instruction in the Word of God. "Continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; and that from a child thou hast known the holy Scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus. All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness; that the man of God may be perfect, thoroughly furnished unto all good works." 2 Tim. 3:14-17.

In his address to the Chicago Fundamentals Ministers' union on last Monday morning Mr. Milton B. Lindberg, a missionary from Syria and Palestine, said that Scripture prophecy is being fulfilled most strikingly in the Holy Land. The value of the mineral deposits in the Dead Sea is beyond human comprehension. The rain fall is steadily increasing and the country is having a rapid development. Prophecy and the present trend of affairs unite in the assurance of a great future for Palestine.
