CIRCUIT THEATRE TO GIVE PLAY MARCH 21

(Continued from page 5)

play he is cast in the role of Richard Gre tham, one of the guests and the particular friend of the daughter of the Bliss family. The newcomers to the Circuit theatre stage are Margaret Hope Thomas and John Chivers of Evanston, Helen Jean Fraser of Kenilworth, Helen English, Betty Schwartz, John F. Roos and Stanford Sherman of Winnetka, and Alice Brokaw, a student at Northwestern university.

The Circuit Theatre association is continually on the alert to meet north shore residents who would like to work with the organization in any phase of its work. It is the policy of the Circuit theatre, dating back to North Shore Theatre guild days, to use as many different people as is possible during the course of the season, and to use one person but once a year. Any in Highland Park who would like to be called upon are requested to call Mrs. Constant C. Hopkins, chairman in Highland Park, to leave their names and the type of work they prefer. The Circuit theatre managers are compiling lists for the next season right now.

"Hay Fever" is the third of the season's four productions by the Circuit Theatre association. It is opening in Wilmette and will have been played six times before reaching Highland Park, which insures a well-rounded and complete performance for the Highland Park audiences. The managers recommend the play as a comedy which will be enjoyed by every member of the family, as a play which has not had professional production in this district, and as a production which has had the attention of the best of the organization's staff.

Joint Meeting of P. T. A. to Be March 14

The Wilmette school P. T. A. will hold a joint meeting with the Deerfield Grammar school P. T. A. on Friday, March 14, at 2:30. This meeting will be held in the Deerfield school auditorium.

Mrs. Frederick Fischer, president of the Illinois Federation of Garden clubs, and a woman prominent in educational work, will be the speaker. All members should hear Mrs. Fischer if possible.

The regular monthly meeting of the Wilmette school P. T. A. will be held at the school on Friday evening, March 21, at 8 o'clock.

This will be an important business session. It is the time for the annual election of officers for the ensuing year. Every member should feel it is their personal responsibility to come out and vote for the officers who are to head the work for the coming year.

The nominating committee are Mrs. E. L. Vinyard, Mrs. Carl Horenberger, and Mrs. E. J. Ginter.

All who are interested in the work are invited to meet with us. Don't forget the date and hour, for a large attendance is desired.

Publicity Committee.

Pettis, vice president; Mrs. S. P. Hutchison, secretary; Mrs. F. P. Browning, treasurer. Following the business session delicious refreshments were served by the hostesses, Meses, Jack Myers, W. Library Adds New Books

West Deerfield Township Public Library board has added the 1930 Encyclopedia Britannica, Yale University Pageant of America, Copeland's Treasury for Booklovers, History of Chicago and History of Washington, the Nation's Capitol, to the excellent list of reference books at the library.

Electricians will be interested in the fact that the "American Electricians Handbook," by Croft, can now be borrowed from the library.

New books for gardeners include "New Creations in Plant Life," Harwood; "Garden Lilies," Preston; "American Rock Gardens," Hamblin; "Gardening with Peat Moss," Rockwell; "Little Book of Climbing Plants," Hottes; "Principles of Flower Arrangement," White.

Several new collections of poetry as well as the Cambridge edition of noted poets and Kreymborg's "Our Singing Strength" (a history of American poetry from 1600 to the present day), are interesting additions to the non-fiction department.

Four popular books now in the adult fiction department are:

"The Woman of Andros," Wilder; "The Man at Willow Ranch," Bindloss; "Exile," Deeping; "It's a Great War," Lee.
