Robert Kingery

Chicago, Illinois, March 7, 1930 — Important zoning activities pertaining to park and forest preserve development and a report on special studies on highway and street paving projects will feature the discussion on "Civic Development" to be presented by Robert Kingery, general manager of the Chicago Regional Planning Association, before 500 executives at the Illinois Chamber of Commerce conference of District Four to be held at Belvidere, Illinois, on Thursday, March 13.

A program on civic development is a new departure for the State Chamber but the executive personnel recently has recognized the tremendous importance of proper civic planning in the correct development of all communities throughout the State.

Mr. Kingery is the head of an association generally conceded to be the foremost in accomplishments of all regional plan groups in the country. The Chicago Regional Planning Association, largely through Mr. Kingery's efforts, has initiated many unusually successful investigations and obtained the adoption of a number of far seeing plans in the suburban region of Chicago in anticipation of its growth during the next 30 years.

L. F. Grammar School Heavies Win Tourney; Lightweights Lose

On Thursday afternoon, March 6, the Lake Forest grammar school basketball team heavyweights won the tournament held at Deerfield-Shields high school gym for the schools in this district. In the heavyweight finals Lake Forest showed it was the class of the tournament by beating Elm Place by the score of 35-8. Earlier in the tournament Lake Forest showed its undisputed superiority by trouncing Deerfield grammar school to the tune of 36-2. A handsome trophy will be presented to the Lake Forest team by the high school after it has been suitably engraved.

The teams competing in the tournament are as follows: Lake Forest, Deerfield, Oak Terrace, Lincoln, Elm Place, Ravinia.

Lightweight Game

In a grammar school tournament sponsored by the Deerfield-Shields high school held at the high school gym for the last two weeks, Elm Place lightweights won the trophy in that division by defeating the Lake Forest team by the score of 16-12 on Thursday, March 6. Lake Forest lights had previously beaten Lincoln school by the score of 20-8 and Elm Place lights had not played any team before the final because they had drawn a "by."

The teams represented in the tournament were Lake Forest, Deerfield, Oak Terrace, Lincoln, Elm Place, and Ravinia. Oak Terrace had to withdraw late in the race on account of scarlet fever at the school.

In the Lake Forest-Elm Place lightweight game Skidmore of Elm Place was the individual star, collecting 6 points. The other men playing for Elm Place were Pasquesi, Ozella, Gendor, Larson, Pett, and Paulson. For Lake Forest the team was composed of Wilson, Paley, Wells, McPherson, Strenger, Whyte, and Duncan.
