ANNUAL GARDEN FLOWER SHOW SOON

To Be held in Hotel Sherman,
Beginning March 28; Features
Are Many

The annual garden and flower show which will open March 28 in the Hotel Sherman will be the largest ever held in Chicago, and will contain more individual exhibits than any show held in the United States. There will be 17 life size gardens made of living plants; more than 100 miniature gardens, depicting houses and grounds developed in minute detail; more than 350 exhibits made by 92 amateur clubs, and 500 entries by flower growers in the competitive cut flower and pot plant classes.

The show will be the product of a year's hard work by garden clubs, women's clubs, city and suburban schools, and all branches of the horticultural industry whose plants in the Chicago area make this city the largest center of commercial flower production in the world.

Mrs. Fowler in Charge

Three previous shows in this series have achieved a world-wide reputation for their beauty, finish and educational value. Mrs. J. Marc Fowler, president of the Illinois Federation of Women's club which is supervising the amateur section, and Leonard H. Vaughan, chairman of the executive committee in charge of the commercial departments, promise that the fourth will surpass the others in beauty, authority of design, practical nature of the plant materials used in model gardens, and educational value of all exhibits.

City and suburban schools will take an important part in the show for the first time. 30 suburban schools, under the jurisdiction of County Superintendent E. J. Tobin, will display miniature models of homes and surrounding gardens, upon which they have been working for two months, studying both architectural and landscape principles.

These models together with 37 similar ones made by women's clubs and garden clubs, will be assembled in a model suburban village, designed by Jacob L. Crane, Jr., of Highland Park which will illustrate the newest ideas in city planning for residential sections. This model of a complete village, with a unique arrangement of streets, parkways, and park area, will be worked out in minute detail on the scale of one quarter inch to a foot. Trees, shrubs, lawns, and flowers will be represented accurately.

Better Homes Drive Starts April 27; Is Educational Feature

The house in Sunset terrace in the process of construction by the boys of Deerfield-Shields High school under the direction of Mr. Durbahn will be open for inspection during the National campaign week, April 27, May 3.

As the "Better Homes in America" movement sponsored by President Herbert Hoover and Secretary of the Interior Ray Lyman Wilbur is entirely educational in scope there should be city-wide interest in this project. The house will also include exhibits of labor-saving devices which must be approved by the committee—all those wishing to have exhibits kindly communicate with Mrs. J. B. Garnett, Mrs. Karl E. Hobart, Mrs. Arthur Raff—publicity.

The recreation room in the basement will be fully equipped with ping pong table and other sports goods by Hunter's Sports Shop.

Mr. Paul L. Udell has been kind enough to take the chairmanship of the "Clean-Up" Week committee and he is asking the co-operation of the city as well as every citizen in connection with this campaign. Details will be published in next week's Press.

Signed, Babette S. Kornblith, local chairman "Better Homes in America" campaign 1930.

One Killed, 2 Hurt in Accident Early Today

John Kosakoski was killed, Everett Anderson had two ribs broken, and William Jitikes was badly cut around the face about 6:20 this morning when the Buick sedan in which they were riding collided with a truck on Waukegan road, just north of Deerfield. The Buick was totally wrecked while the truck had only the rear wheel smashed.

The Buick sedan, driven by Everett Anderson, was going south on Waukegan road, the truck was headed north. The accident occurred, it is thought, as the sedan was passing the truck. The sedan stopped about sixty feet from the truck.

Rudy Kuelman and John Rogagl, two other companions in the car escaped uninjured. All were residents of North Chicago. The injured were removed to the Highland Park hospital.

An inquest will be held this afternoon at four o'clock in the H. F. Kelley funeral parlor on Sheridan road.
