**Buttonless Horn Gets
Glencoe Man in Toils**

A man who gave the local police the name of Louis Voltz and said he was from Glencoe, was fined \$25 and costs on a disorderly conduct charge here early this week, after he had been arrested for operating an alleged confidence game on Motor Car Electric station, here. According to the report to the police Voltz bought an auto signal horn from this station and charged it to somebody else. He was caught when he tried to buy a button for the horn in Glencoe. The supply house there hadn't any and called Motor Car Electric for one. Suspicions of the proprietors were aroused and investigation by the police resulted in the arrest. The charge was reduced when Voltz squared the bill.

Mrs. C. L. Boyd of N. Green Bay road, underwent an operation for gall stones at the Highland Park hospital on Monday. She is doing as well as can be expected.
