

MILE RELAY TEAM GOES TO ILLINOIS

The Deerfield-Shields mile relay team composed of Tucker, Cole, Fell, and Liske took fifth place and out of a field of twenty-five competitors at the Illinois relays at Champaign last Saturday afternoon.

Deerfield's entry sprinted to a second in the third heat, Lindblom of Chicago getting first. Each team ran against time and the winner was thus determined. Cole, Fell, and Liske ran their quarter miles in 56 seconds, while Tucker ran it in 55 seconds.

Lindblom of Chicago took first in the relay; Oak Park, second; New Trier, and Hyde Park, fourth.

Last year Deerfield placed second, but the competition this year was much stronger.

SPRING CONCERT TO BE GIVEN APRIL 11

The annual Spring Concert, which is given each year by the combined musical organizations, will take place April 11.

In all probability there will be no operetta this year, as there was in last year's concert. Both glee clubs will sing a number of selections, and the orchestra and band will each have a section of the program.

The organizations may offer a feature of some sort, but this has not been definitely decided upon.

Wednesday until 7:30 p.m. Sundays:
2:30 to 5:30 p.m. for reading only.

N. S. GAS CO. PLANS BIG IMPROVEMENTS

At Least Application for Permit to Issue More Stock Indicates Growth

Application on the part of the North Shore Gas company to the Illinois Commerce commission for the right to issue 10,000 shares of preferred stock with a total value of \$1,000,000, presages the carrying out of extensive plans for the expansion of the local plant and system, says the Waukegan Sun.

The stock to be issued will have a par value of \$100 and will draw an interest of 6 per cent, news dispatches state.

Large Sums Expended

The North Shore Gas company has spent millions of dollars in the expansion of its properties in Waukegan and along the north shore during the past few years. The development of the section of the states which this concern serves has forced it to spend large sums in the extension of its system.

The work of expansion of the system has but begun in the opinion of officials of the corporation, however. With its lines being extended to all sections of the rapidly developing area along the north shore the company will be forced to spend large amounts in both the enlargement of its gas producing plant here and in its distributing system.

Practically all of the gas, that is being produced at the plant of the North Shore Coke and Chemical company owned and operated by the same interests that control the gas company. In addition to this the local plant of the gas company has been operating near capacity, all of which indicates the marked development in the business of this concern.

Local Plans Extensive

Plans for extensions to mains in Waukegan this year will be extensive as usual and several important changes will be made in the distribution system, it is declared.

While the commerce commission has not as yet acted upon the petition of the corporation for the authority to issue the large volume of stock it is expected that it will be granted at an early meeting of that body.

Probable Candidates to Succeed Edwards

Attorney Ralph J. Dady, of Waukegan, former state's attorney and one of the counsel in the prosecution of the Gov. Len Small case, is being considered by attorneys as a possible candidate for the circuit judgeship.

He has been reluctant to leave a lucrative private law practice, according to attorneys interested in sponsor-

ing his candidacy, but in the last few days they state that he has looked with more genuine interest in the position.

Only one candidate has stated with any tone of certainty that he will be in the race and that is Attorney George W. Field of Waukegan.

Dady refused to comment much on his possibility of becoming a candidate but admitted, on being pressed, that it is remotely possible, according to the Waukegan Sun.

REPRESENTATIVE LYONS LAUDED

BY

LEGISLATIVE VOTERS LEAGUE FOR HIS RECORD

(OFFICIAL REPORT)

Richard J. Lyons, representative (Rep.); realtor; Mundelein. Is ending his first term; was extremely regular in attendance, not being absent during the session; he followed the business of the House very closely and exhibited sound sense and independence in voting; at times when the voice of the reading clerk of the House gave out, he officiated in that capacity successfully; made a very favorable record for a new member.

RE-ELECT
