

TWO LEGION COUNCIL OFFICERS ARE NAMED

Mancel Talcott of Waukegan and E. W. Carlson of Highwood Elected at Session

(By DAN HUNT)

Mancel Talcott of Waukegan was elected senior vice-commander of the Lake County Council of the American Legion at its regular monthly meeting held in the Highwood Catholic church assembly hall under the auspices of Stupey-Smith and Evans-Watkins posts. Eggert W. Carlson of Highwood was elected junior vice-commander of the district at the same meeting. This completes the roster of council officers.

Howard Garnant gave a humorous report of his airplane trip to Bloomington with the membership records in the race for place in the membership drive in Illinois. Lake county went over the top with a wide margin. Mr. Garnant told how the plane had started late because of failure to receive records on time, and upon ascent a few hundred feet found that the oil cap had been left off and the plane spattered with oil. This meant a landing, a clean-up, a take-off and the trip was made in two hours. On the return trip they stopped at Ke-wane and Peoria for gas and oil.

To Award Prizes

Announcement was made that the many prizes offered to the most active post, best membership drive, and most industrious officer, etc., would be awarded at the Deerfield meeting. Bruno Henderson, chairman of this committee went into detail as to the exact nature of prizes and the work necessary to obtain them.

Brad West reported that he had investigated several cases reported to mussen of Lake Forest at the previous meeting in North Chicago, and told of their investigation and disposal.

A resolution of thanks was ordered sent to the board of supervisors for their prompt aid to the Legion relief work with a contribution \$1,000 as authorized by the state. The Legion, in turn, has taken a number of cases off their hands, and has rendered an accounting to them for the money spent.

Arthur F. Montgomery, commander of Dumaresq Spencer Post of Highland Park, brought up the question of solicitation of members in another post's territory. This aroused considerable discussion. George Briggs defended Deerfield's position in the matter while various members from the two Highwood posts explained their views.

Other Speakers

Two representatives of the Spanish War Veterans were present and spoke a few words. They were Judge Meyer and Mr. Edwin Lundgren, both of Highwood, who complimented the Legion on the wonderful turnout.

Rawson Bowden of Highland Park reported that two victrolas and records had been sent to the hospitals at North Chicago and Great Lakes by Mrs. E. L. Easton and Mrs. W. L. Winters of Highland Park.

Mancel Talcott of Waukegan gave a short report on the 40 and 8 and told of re-organization plans now under way. He promised much activity in that organization for the coming year with a very constructive program in view.

Mr. Talcott also reported on the sit-

nation of his graves registration committee. He stated that this office had no season — it must carry on all through the year.

Junior baseball will be an active bit of work on the part of the Legion in Lake county, it is reported. Many teams are in process of organization and other already formed. Challenges will be issued to similar organizations as soon as plans are perfected, it is announced.

As usual the business session was pleasantly interrupted with a novelty of some sort and this time it was a selection of Italian songs to their own accompaniment by two Highwood boys, Luigi Delrangeli and Mickie Lamauna. While they announced that the majority there would not understand their songs it was quite evident from the applause that their efforts did not go unrewarded.
