The scouts passed second class first aid: Danny Walterding, Arthur Mentzer, Charles Burnett, Allan Lange and Robert Hatch. We had one new scout at

### PINE TREE PATROL ON CAMPING TRIP

The Pine Tree patrol held their weekly meeting at the home of Kenneth Vetter. The meeting began at 7:30 last Wednesday evening with the usual opening ceremony. We went directly into the reviewing of the second class and Tenderfoot scouts which was continued from last week. Mr. Huhn then told us that on Saturday evening we would have a patrol camp over in the river woods. We decided to use K. Vetter's tent. This camp was to be held Saturday night. Those present were Harold Huhn, Mr. John Huhn, Charles Orsborn and Edward Randall. Kenneth Vetter and Harold Huhn went in the morning and prepared the camp.

After this we played games and a lunch was served. — John Kenneth Vetter, Editor in Chief.

The first song sung was "Cheer for Dear Old Wilmot," written by one of the scouts. We also sang "See that Watermelon." Mr. Hastings was there and arranged with Mr. Masslich to get the cabin in the woods for an overnight hike. Mr. Aiken was also there. We hope he will have the time to be scoutmaster of the troop. ### Democratic Committee Planning for Campaign

Members of the Lake County Democratic Central committee last Wednesday met at a lunch in the Hotel Clayton where the candidates for county and district offices were urged to launch their campaigns for election in November.

While little strength will be shown at the primary, due to the fact that there is no contest, the candidates were counselled by John O'Keefe of Highland Park, the chairman, to start their campaigns as soon as possible so that a maximum strength can be developed for the fight.

Thomas Bolger, candidate for state representative, and John Hesse, candidate for congress in the 10th district, both addressed the meeting.

Committeemen were urged to lay plans for the final drive.
