St. Paul's Wins Two Games in Tourney

Tuesday, March 20, St. Paul's defeated the Deerfield Athletic club 36 to 15. The winners encountered little difficulty in holding their opponents in check. The score at the end of the first half, 16 to 4, indicates that St. Paul's was master of the situation. The score however is no indication of the quality of playing. The A. C. boys played well but due to the fact that the St. Paul's boys out-reached them they could not play the type of basketball which usually wins the game.

Saturday, March 22, the Bungalow church fell victim to the St. Paul's boys. The final score being 34 to 25. This second game furnished a little more opposition than the first and from that standpoint proved more interesting to the spectators.

The box score of the two games will reveal other interesting facts.
