

WOMENS CLUBS AID BIG FLOWER SHOW

(Continued from page 3)
club on Tuesday, April 1, at 2:30 p. m.
R. E. Pattison Kline who will give this lecture needs no introduction to Highland Park as he has long been recognized here as an authority and has given many talks and series of lectures on current events and political questions. Mr. Kline is also a master of the technique of public speaking so his coming is always keenly anticipated.

Art Exhibit

The paintings of Emile Zoir, Swedish artist of international fame, continue to attract the enthusiastic interest of the community. The exhibit has received the highest praise from artists living in Highland Park and Ravinia. The art students of Deerfield-Shields high school visited the exhibit Monday morning and met Mr. Zoir who personally conducted them on a tour of the gallery.

The club will be open to the public on Friday evening, March 28 for all who wish to see this remarkable exhibit.

Welfare Meeting

One of the most splendid meetings ever held in this community was the Public Welfare meeting on Monday afternoon when representatives of Lake county institutions gave talks on their work. Though each talk was short, each gave a comprehensive survey of the earnest, efficient work being done. It was an afternoon long to be remembered for its story of service to humanity. The speakers were Miss Himmekeich of the Humane society; Judge Persons of the Juvenile Court; Miss Arbuckle of Lake Bluff Orphanage; Mrs. Millard representing Ridge Farm Preventorium; Miss Ferrier of Arden Shore; Miss Minich of the Crippled Children's clinic; Mrs. Johnson for Dorcas Home; Miss Perry of Good Will Center; Miss Waterman for Tuberculosis Christmas seals.

Rummage Sale

The Annual Spring Rummage sale will be held at the club on April 10 and 11 and again we urge you to keep us in mind as you clean-house. Any thing you discard which still has some usefulness will be much appreciated and help to swell the building fund which is growing into such proportions that the club is thinking of completing their building.

We can use anything, furniture, clothing, books, bric-a-brac.

Bring these to the club any morning, or call Mrs. Dwight Davis, Tel 1013 and she will gladly call for your donations.

National Sorority Women at Luncheon

Almost seven hundred National Sorority women attended the spring luncheon at the Medinah Athletic club last Saturday. Florence Schee Robuett, Dean of Women of Northwestern university was one of the speakers. Mrs. Robert W. Jeffries of Highland Park, president of the association presided. Some of those present were Mrs. Fay Cooper-Cole, Jessica North MacDonald, Elizabeth Tuttle Holsman and Genevieve Forbes Herrick.

So will you—

Come in and talk it over. Let us give you facts regarding low cost operating.

It may lead to your becoming a Cadillac or LaSalle owner this year. For you'll discover that these splendid cars can be kept in commission for little more—or even a little less—than smaller, less powerful cars.

It all simmers down to this—Cadillacs and LaSalle are designed and built to deliver luxury service on an economy basis.

Put it up to us to prove it.
