

COUNCIL APPROVES NEW LIBRARY PLANS

Revised Layout Presented by
Building Committee Gets
O.K.; Other Work

At the regular meeting of the city council and board of local improvements Monday evening Chairman J. B. Garnett of the building committee of the Highland Park Public Library

board presented revised plans for the proposed new library building which is to be erected on the enlarged site provided by the recent purchase of an additional tract adjoining the site of the present structure. On motion of Commissioner William M. Reay these plans were approved by the council and ordered placed on file. It is expected that as soon as all preliminary work is completed an appropriation for the erection of the new building will be asked.

On motion of Commissioner Reay the chancery fees in the case of City

of Highland Park vs. Calder in the amount of \$125 were approved for payment and H. M. Lautmann, attorney for the city was instructed to proceed with the case.

The report of the Building department for the month of March, 1930, was ordered placed on file. A summary of the report appears elsewhere in this issue.

On motion of Commissioner Brown, Gust Ostrand was granted a refund of \$5 on Water Permit No. 2826, in lieu of Water Permit No. 2828, in accordance with the recommendation of the building inspector.

The report of A. E. Smith, justice of the peace, showing collection of fines in the amount of \$93, was ordered placed on file.

On motion of Commissioner Reay the following certificates were approved and vouchers ordered issued in payment of the several amounts:

Chicago Sheet Metal and Roofing Co.	
Roofing and Sheet Metal work, City Hall	\$251.50
James B. Clow & Sons, marble work, City Hall	377.05

Board Refers Petition

At the meeting of the board of local improvements a petition for paving of Taylor avenue was presented and on motion it was referred to the engineers for investigation and report.

Local Woman Winner in Ticket Sales for Chicago Garden Show

Mrs. Kellogg Speed of this city has been awarded a one hundred dollar merchandise certificate at Marshall Field's store as winner of the advance ticket selling competition for the Chicago Garden and Flower Show at the Hotel Sherman. With the help of members of the Community Garden class she sold 856 tickets. She is contributing the prize to the club which amount together with the commissions form ticket sales adds over \$250 to the club treasury.

Mrs. Speed states that her deep belief in flower shows as artistic spectacles and great educational influences is due to the inspiration of her father who as president for many years of the Horticultural Society of Chicago staged Chicago's earliest successful flower shows.

Announcing Our New Fur Storage Vault

We Cordially Invite Your Inspection

It may be of interest to you to know that we have just completed our new scientifically constructed Fur Storage Vault. No efforts were spared to go in details with the Government's Research Department in Washington, D. C. in regard to the newest findings in preserving the life of the Fur.

The Air in Our Fur Storage Vault is scientifically cleaned and is absolutely free from dust and soot.

Your furs will remain clean and safe as long as they are kept in our vault. Remember that you not only want to put your Furs behind a large Vault Door, you also want to see the actual Vault and we take great pleasure in inviting you to inspect our vault and judge for yourself.

In addition to storing your furs in our new vault, we are prepared to clean, glaze, repair and remodel them at all times, at moderate prices.
