

MOTOR REPAIR
By Experts

Now That
Winter Is Over
Have Your Brakes Tested!

With the coming of Spring, the youngsters will be playing ball, tag, and other games out on the parkways. If one of them darts out in front of your car, will you be able to stop your car in time? Don't take a chance. Have your brakes tested—and properly adjusted at once.

We repair all makes of cars.
We also have a thoroughly efficient
battery department.

A child's shoes
must be right!

IF the hat or coat that you choose for your child shouldn't fit properly, the result may be displeasing and a little uncomfortable.

But if the shoes are not exactly right for the flexible growing foot, "next time" may be too late to correct the injury.
