

### SCHOOL BOARD ELECTIONS SCHEDULED FOR APRIL 12

Nellie Palmer Flinn of Highland Park and Frank W. Read of Lake Forest are candidates for re-election to three-year terms on the school board of the Deerfield-Shields high school. The elections will be held from 12 noon until 7 o'clock on Saturday, April 12, 1930.

The polling place in Lake Forest will be the city hall, in Deerfield at the town hall, in Highwood at the Oak Terrace school, and in Highland

Park in the East building of the high school.

#### Honest Parents

Good and valid child study methods begin first of all with a willingness on the part of the parents to admit they are not expert if they really are not. —Woman's Home Companion.

#### Single or Double?

Mary and Margaret Gibb, 18, "Siamese twins, must pay transportation for two in going abroad. They told the steamship company they had come from Chicago on one fare

### SPRING VACATION IS LENGTHENED ONE DAY

As all the teachers of Deerfield-Shields high school will attend the Illinois State Teachers' convention at La Grange, Illinois, on April 28, spring vacation will be lengthened one day.

Two week-ends and six school days will make up the vacation period. It starts on April 18. School will open on Tuesday, April 29.

### BASEBALLERS DEFY SPRING BLIZZARD; PRACTICE IN GYM

#### Net Used for Batting Practice; First Game with Fenger Saturday

Although the athletic field was buried under a two foot blanket of snow last week, the Deerfield-Shields baseball squad practiced just the same. Wait a minute, not on the athletic field, no not for quite a while yet, but in the gym with the use of the net.

The pitchers threw to the batters in the cage while those who were not batting were playing catch. As the weather was rather bleak and the days were dark, the ball was rather hard to see, so the pitchers were instructed to take it easy. "Bud" Moon and Bob Skidmore were the only ones hit during the proceedings.

Those who showed up good with the flail are "Monk" Martin, "Shorty" Struss, Bob Skidmore, Matt Maiman, "Burt" Berube, Tommy Rogan, and "Bud" Moon.

Among the pitchers who are showing up well are Allans, Sommerville, Witten, Duncan, and Rudolph. Control is the asset the boys are working for while indoors. As yet no curves have been thrown.

When the game with Fenger takes place, the infield will probably be—first base, Segert; second base, open; shortstop, Rogan; third base, Berube. "Richie" O'Connor will be behind the plate, unless he breaks a leg or something before April 5. However, since Mr. Thurston's talk in assembly, four new catchers have come out, McNeil, Dixon, McKay, and Greenwald.

The outfield is still undecided. That is, with only one outdoor practice behind them, Coach Thurston hasn't been able to get a line on their fielding. He has Martin, Skidmore, Moon, Lenzini, and Struss to choose his opening lineup from. Martin will no doubt start, on account of his hitting. The pitchers have not been named yet, as probably more than one will work in the game.

The first game is scheduled for Saturday, April 5, with Fenger high. Although there is still a good deal of snow left on the ground, there is no optimism in the statement that it will all be gone by that date if not before. Deerfield played Fenger last in 1928. Deerfield won the game 5-4.

The second game is with Schurz high school, of Chicago, on the following Saturday, April 12. As Schurz is the biggest high school in the world and a number of fellows go out for the teams, they have had many championships. Deerfield has never played Schurz before, so the pitchers have no pointers on their hitters. However, the hurlers are getting a lot of practice in the gym so at least their arms won't be stale.

#### Lazy Man's Watch

The latest in watches is one which never needs winding. Once every 800 days it is connected to a battery and is good for another two years. It is an English invention.
