

Prepare Program for National Health Week

The following tentative program will be given at the Deerfield Grammar school under the direction of Miss Gayle Borneman during National Health Week, which will be observed April 27 to May 3 inclusive.

Sunday, April 27—announcements in local churches.

Monday — No school consequently no program.

Tuesday, April 29—Dental Hygiene day. Program in charge of local dentists.

Wednesday, April 30—Parents day. Miss Theda Waterman of Lake County Tuberculosis society of Waukegan will speak.

Thursday, May 1—National Child Health day. Program by school children.

Friday, May 2—Prevention day for Diphtheria and small pox, program by children.

Saturday, May 3—House screening day. Talks to children. Miss Borneman has not completed all her plans, but thought the foregoing announcement would give parents an idea of what she endeavors to do to promote a health program among the children and a complete account will be published next week.

The parents are invited to all the programs to be held during the week.

In connection with the program an exhibit of school work will be on display in the auditorium.

"Sunny Side Up" at Alcyon April 16-18

Janet Gaynor and Charles Farrell, perhaps the most popular of all screen sweethearts, not only talk in "Sunny Side Up," original-Fox Movietone musical comedy at the Alcyon next Wednesday, Thursday and Friday, but also sing and dance in a manner which marks them as outstanding performers in this field as they were in silent pictures.

Miss Gaynor has studied voice culture ever since she first entered pictures, a little over three years. To sing always has been one of her greatest ambitions, she confessed recently, and ever since signing a long term contract with Fox she has filled in much of her spare time studying voice.

She sings several songs in "Sunny Side Up" which will be seen and heard on the screen of the Alcyon theatre, all written especially for her by the highly successful song writing combination of DeSylva, Brown and Henderson. She also displays real ability as a solo dancer in one number.

Farrell, who was on the stage before pictures reached out and claimed him for their own, has a highly pleasing baritone voice which he has developed during the last two years under the tutelage of the best teachers money could employ.

Trophy Is Awarded

The Trophy which was presented by the Notz Hardware company was given to Captain Lloyd Laegeler of St. Paul's basketball team last Thursday evening following the final game with the Deerfield Athletic club at the Deerfield school and the score was 51 to 17.
