YOUR Finest China
Is Safe in the Conover
Electric Dishwasher

The wire racks of the Conover hold each plate, each cup and glass securely in place so they cannot chip or crack. Dishes are safer in the Conover than in the dishpan, for there is less handling. You simply arrange them in the upper and lower racks of the machine. The next time you touch them is when you remove them, clean, sparkling and dry. A special basket holds the silver.

**Rudolph Allows Only Five Hits;
Gives Three Bases
on Balls**

Playing in their first baseball game of the season against Fenger high of Chicago, Deerfield-Shields "sluggers" tamed the boys from the Windy City 11 to 5. "Mike" Segert led the team to victory with three hits out of four times at bat. Raklovits garnered two safeties in four times at bat to head Fenger's list.

The game was played before as large a crowd as has viewed a ball game at Deerfield for some time.

Charley Rudolph pitched a good game, allowing Fenger only five hits. His control was also good, only three Fengerites receiving free passage to first base. However, Flesvig, Rudolph's pitching opponent, was rather generous, as eight Deerfield men trotted to first base unmolested.

**SPRING CONCERT DATE
IS CHANGED TO MAY 9**

Deerfield-Shields High School

The date of the Annual Spring concert has been changed from April 11 to May 9, and the date of Student Stunts from May 16 to May 23.

At present the musical organizations of the school are working on programs for the concert, not only ensemble but solo numbers.

This year the three directors, Mrs. Mannings, Mr. Bolle, and Mr. Dinkelloo, are planning on a straight concert, with no operetta or other deviation.

Mrs. Mannings, director of the orchestra, is planning on a march, an overture, and a group of three short numbers.

The band, under Mr. Bolle's direction, will present a suite, an overture, and a march.

As yet, Mr. Dinkelloo has not decided on a definite program for the glee clubs. In all probability, each of the clubs will give three numbers. Any solo or duet numbers will be determined at a later date.

**Calves Are Stolen
and Dogs Poisoned**

Fred Deinlein, a Fremont township farmer, opened his barn at dawn one morning last week to discover that two six-weeks old calves had been stolen during the night. The calves had evidently been gagged to keep them from bawling after their fashion, and thus raising the alarm.

Two dogs which had at one time kept intruders away from the premises at night, had been mysteriously

poisoned two weeks ago and it is thought that the unknown poisoner and the calf thief are the same person.

Deinlein notified the sheriff and Deputy Edward Dunne was despatched to the scene from his home in Wauconda.

Coquille, Ore.—The local post of the American Legion has established a milk fund for the undernourished children in the public schools.
