G. R. Mother and Daughter Banquet

Over two hundred mothers, daughters and advisors attended the banquet Friday evening. The seven clubs had separate tables, each group responsible for their own decoration. It was a gay array of Spring colors. The Cubs Jr. table was decorated in the tall white candles and the smaller blue candles at each place as this club represented the "Code" and shown brighter than all the rest. The Cubs Sr. table was in pink with pink cut roses in the center and at each end two pots of lovely red roses. The Deerfield G. R.'s table was in blue with a lovely bowl of blue forget-me-nots and hand-made place cards with G. R. insignia. The Makio was in lavender with lovely spring flowers, the violets in the center of the table. The place cards were hand painted to carry out the color and thought. The Makiolets, was the largest group numbering fifty-five. Table was in white with a bouquet of daisies in center and at each end of the long table. The hand painted place cards were in yellow and white with the daisy in the corner, these were made in the art classes. LL was attractively and unusually decorated in yellow. The Swastika used green and the evergreen. At each place was a piece of different colored crepe paper 6½ by 24 inches and two tooth picks, three minutes was allowed for each to make a paper hat to wear during the evening. The room was attractively decorated in paper sweet peas and Japanese lanterns. The banquet theme was "Our Y. W. C. A. flower garden." Mrs. Wilson Kline, chairman of the G. R. department, in her closing remarks said, "When we go into the garden to pick a beautiful bouquet, we search about for the most beautiful or perfect flower, so it is with G. R.'s who are actually putting into practice the G. R. code, they are the girls who are dependable, sincere at all times and ready for service. In search of the best that they might share it with others. Girls who are actually trying to face life squarely grow to be beautiful in character." Each club was responsible for some part of the program. The Makio's gave an upside down gymnastic program. The Makiolets a tumbling act, LL a radio program, the Cubs Sr. a short play, "The Road to Perfect Life," Deerfield a mock wedding, Swastika a Living G. R. Book, and the Cubs Jr. the Code interpretation.
