Urges Co-Operation in Amateur Baseball League in the County

At a meeting last Friday evening of the Amateur Baseball association of Lake county, it was decided that in order to keep the Amateur League going in Lake county it would be necessary to have at least six teams entered in the race. It was also decided that an effort would be made to enroll eight or possibly 10 teams.

In order to do this we must have the co-operation of the baseball clubs themselves. It is to the interest of every manager of an amateur baseball team in Lake county to enroll his team in the Amateur League. The league offers you clean baseball, a regular schedule of games, league umpires, and to the winning team, a chance to play in the National Amateur tournament.

We wish this year to make the league more of a county loop than in former years. With this point in view, we wish to call this notice to the special attention of teams from Gurnee, Grays lake, Antioch, Lake Forest, Highland Park, Highwood, Lake Bluff, and Libertyville. Any other towns having an interest in this proposition may be sure of a welcome.

The league will hold its second meeting at 8 p. m. Friday, April 11, at the Waukegan Y. M. C. A. All you managers who are interested, please be there and let's get going. If any added information is wanted, call me at my home any evening this week.

League of Women Voters to Elect New Officers Wednesday

The Highland Park League of Women Voters will meet Wednesday, April 16, at the Presbyterian church. Luncheon will be served at 12:30, and reservations should be made early by phoning Mrs. Benjamin Lewis H.P. 1880. This meeting, which is the last one of the year, should prove unusually interesting, as there will be reports from all officers and committee chairmen, showing the progress made during the past year; as well as election of officers, and the presentation of a new constitution and by-laws.

The breadth of the educational work of the league, is well indicated by the following state committees whose local chairmen keep themselves well informed by attending frequent state meetings: Efficiency in Government; Legal Status of Women; Child Welfare; Social Hygiene; Living Costs; Women in Industry; International Co-operation.

Nominations for the offices to be filled at this time, are:

Mrs. Constant Hopkins, president; Mrs. D. M. Blasier, second vice-president; Mrs. Seth Gooder, corresponding secretary; Mrs. H. G. Langford, second precinct chairman; Mrs. Nathan Corwith Jr., fourth precinct chairman; Mrs. F. E. Vaughan, sixth precinct chairman, and Mrs. W. R. Saul, eighth precinct chairman. Nominations may also be made from the floor the day of elections, providing the consent of the person nominated has been obtained. Chairmen of standing committees (except program and organization) will be appointed by the new board at its first meeting.

The Silver Tea given by the Highland Park league on Monday, was a most delightful affair—thanks to Mrs. Raymond Stevens at whose home it was held, and the committee which had it in charge—consisting of Mrs. D. M. Blasier, Mrs. Allan Wolff, Mrs. C. W. Balke, Mrs. S. Glidden, Mrs. George Buhl, Mrs. Robert Walker, Mrs. Benjamin Lewis, and Mrs. Harold Wampler.

The spaciousness of "The Meadows" is especially well adapted to this sort of event, and many members and friends of the league were served tea, and enjoyed a very attractive musical program during the afternoon. Mrs. Raymond Stevens, Mrs. Constant Hopkins, Mrs. Robert Grinnell, and Mrs. E. R. Jerome received in the music room, and members of the board assisted as hostesses in the various other rooms.

Mrs. Milo G. Kral, in a quaint Czecho-Slovakian costume which is a family heirloom, sang a charming group of native songs. She was accompanied by Mrs. John R. Todd. Miss Barbara Balke gave some cello selections accompanied by Mrs. Hans Hess, and later in the afternoon there were violin numbers by Mrs. Helen Mayer Mannings with Mrs. Jessie Wood Sincere at the piano.
