

AN AFTERNOON of FREEDOM - - -

- - yet a **PERFECT
MEAL** is **READY**
at **DINNER TIME!**

Leisure hours! Hours for shopping—
ing—recreation! These hours are the
possession of every woman who cooks
a modern, Oven Heat Controlled Gas
Range. Preparation of food ceases to be a
monotonous chore—loses every resemblance
to a difficult task—does not keep a woman
“tied to her kitchen”—when a modern
gas range cooks all the meals.

You, too, can have these leisure hours—this
delightful freedom—and will be able to en-
joy the bright, sunny afternoons of spring
and summer that are coming soon. *You can*
be free from your kitchen if you use an
Oven Heat Controlled Gas Range.

During April our gas ranges are specially
reduced in price—substantial reductions that
will **SAVE** you **MONEY!** Buy your gas
range while you can **SAVE** a considerable
sum. **Do it NOW!**

Either come in or telephone. We will be
glad to send a representative to see you
without any obligation whatever.
