

# Your First Thousand Dollars . . .

How to get the first thousand dollars together is the problem of many people. But it all depends on how hard you want to get that thousand.

Are you willing to give up extravagant and thoughtless spending? That's about all there is to it, except—to put every cent you can rake and scrape into your account in our bank.

It won't be long until you have the first hundred, and shorter than you realize until you have the thousand. Get started now.
