

Deerfield Building and Loan Association Campaign Progressing

By Dan Hunt

The Deerfield Building and Loan Association is making excellent progress in its semi-annual campaign for both monthly members and paid-up stockholders, despite the apparent poor business season.

An unusual feature of the directors' drive for members this year is President Fred J. LaBahn's offer to give a dinner for the officers and board of directors at the Green Tree Inn Wednesday evening, April 30, if last October's drive mark is equalled or bettered. An enthusiastic member has donated an electric clock to the director bringing in the greatest number of new stockholders. Another feature of the contest is that in the event of not equalling last October's mark, the five directors lowest in the present campaign shall pay for the dinners of the five highest. This has proved an additional incentive.

At the regular monthly meeting April 14, sixty-five paid up shares and over two hundred monthly payment shares were recorded with many more in the offing.

The association has been in existence but three years and in that time has made a remarkable showing. At present every penny of the organization is busily at work and applications are pouring in to such an extent that the association is able to pick and choose the choicest. A liberal amount has been set aside for the contingent fund and undivided surplus and the organization is proving itself to be an unusually profitable investment.

Fred J. LaBahn is president, Dan Hunt vice-president, C. W. Getty, secretary, and Edward Selig, treasurer. Any one of these men will gladly give information in regard to the association.

Former H. P. Golf Pro. Now at Lawsonia Club

Harold R. Fossum, formerly of Bob-O-Link Golf club, here, is to be the new golf professional at the Lawsonia Country club on Green Lake, Wis., this summer. Like practically all of the well-known professionals, Fossum started his golfing career as a caddy, having caddied at the Indian Hill Country club in Winnetka, Ill., from 1915 to 1921.

While at Indian Hill, one of the most exclusive and finest country clubs on Chicago's fashionable North Shore, Fossum caddied for many champions and in 1919 he became a champion himself, winning the caddy tournament at Indian Hill. In 1920, 21 and 22, he played on the golf team for the New Trier high school in Winnetka and also during those years he played on the Winnetka Municipal Golf course team. In 1923 he became assistant to Earl W. Dean, professional at the Bob-O-Link Golf club in Highland Park, another well-known North Shore club, but one for men golfers only.

Fossum left Bob-O-Link to become associated with the Lawsonia Country club, which has two golf courses, one of championship caliber and a real test for golf—the other not so difficult, yet very interesting.

Girl Scouts

Scouts Own

On Sunday afternoon, May 11, Mother's day, the impressive scout ceremony "Scouts Own"—will be held at Temple Shalom, on Sheridan road between Stratford and Cornelia avenues. The program will open with a processional of troop and American flags. How the Girl Scout laws were written—will be presented by Citizen Troop 2. Golden Eaglets and gold and silver troop cards will be awarded.

The following songs will be sung:

O Beautiful Banner, Onward Girl Scouts, Glad that I Live Am I, I Would Be True; God, Our Loving Father, Innisfree, Tree Song, Where e'er You Make a Promise, Shadows Creep, Girl Scout Chant, Hail to the Scouts.

Girl Scout mothers and troop committee members are most cordially invited.

Camp Plans

Just at this time of year comes a longing for summer — and vacation plans and to every Girl Scout vacation plans mean places for Girl Scout camp.

The Highland Park Girl Scouts have all been thrilled and busy filling out their applications for camp in the last few weeks—and soon after the first of May, they will know when their assignments are. They are again going to Camp Hickory Hill operated by the DesPlaines council of Girl Scouts, Inc. Camp Hickory Hill is on the shores of Rice Lake 4½ miles from Edgerton, Wisconsin and 18 miles north of Janesville, Wis. Rice Lake is excellent for swimming, boating and fishing. It is entirely without swamp grass, is spring fed, Government owned and about three miles long and three-quarters of a mile wide.

The creation of Camp Hickory Hill was brought about by the separation of the Chicago area from the country towns surrounding it, due to the constantly increasing number of Scouts in Chicago and the greater demands for camp by these Chicago scouts. Miss Marion Hodgins, who so successfully carried on the camp last season will again be in charge of Camp Hickory Hill.

Easter Sale Saturday

An Easter sale will be held, Saturday at Decker's store 15 S. St. Johns avenue, by the members of the Phila-thea class of the Bethany church. There will be home made candy, bakery goods, and colored easter eggs for sale. The sale will start at 9 o'clock in the morning.

Fossum has been the professional at the Pine Crest Lake Winter club at Avon Park, Fla., for the past two winters. He holds the course record for that club with a score of 68.

GARNETT'S

SIX STORES

EASTER DAY FASHIONS

Assortments of new spring frocks, hats and accessories are comprehensive and complete. And never have we been able to offer such extraordinary values.
