STATEMENT

The North Shore Area Council, Boy Scouts of America, is separate from the Chicago council and is supported only through money contributed in the above listed communities. Money contributed in Chicago remains in Chicago.

HAROLD HUHN IS EAGLE SCOUT

Scout Harold Huhn one of the charter members of Troop 52 Deerfield has the honor of being the first Eagle scout in Deerfield. He has worked very hard to acquire this honor for he has over 21 merit badges. For more than a year he has been patrol leader of the Pine Tree patrol. He has leadership ability of fine quality and is very much liked by all the

boys. He is also the troop editor of the Deerfield Press club and now has his press club quill.

This award of his will prove a valuable asset to him and also to his troop. His father, John Huhn, is the chairman of the Camp committee in the Deerfield Community council. — J. Kenneth Vetter.

COURT OF HONOR AND HOBBY SHOW

Troops 51, 52, 50 had a Court of Honor and Hobby Show Friday, April 11. There were about 10 scouts who received second class pins. Edgely Todd and Junior Simons received first class pins. There were about 15 scouts received merit badges. One Eagle badge was awarded to Harold Huhn. Stamps, airplanes, guns, pamphlets from all over the world,

football stans and woodcarving. The court closed at 9:45. — Harold Huhn Deerfield Press club troop editor.

WILMOT TROOP AT HOBBY SHOW

For the Wilmot troop stunt Robert Ginter blew all the calls they had up at Camp Makajawan last summer while Bud Lochridge told about each call. John Ginter was given his tenderfoot pin, while Robert Ginter and Bud Lochridge got their second class pins.—Bud Lochridge, reporter Troop 50, Wilmot school, Deerfield.

The Pine Tree patrol held its regular meeting at the home of Earl Knaak. The meeting was opened in regular form with the scout oath and law. The scouts then studied and prepared for the court of award. Games were then played and ice cream and chocolate were served. We then played several outdoor games. —J. Kenneth Vetter, editor in chief, Deerfield Press club.

Press Club

The Press club held their weekly meeting on Monday at 3:45. Those present were Harold Huhn, Kenneth Vetter and Mr. Masslich. The reports were written and the business discussed. The meeting closed at 4:15. —J. Kenneth Vetter.

CAMP-O-RAL COMING SOON

Sure enough; The Camp-O-Ral is coming. But what is a Camp-O-Ral anyway? The Camp-O-Ral is a

rally in camp, but a different kind of rally. It is a patrol event, where each patrol comes equipped to live "on its own" for at least two meals, camping out over night under its own shelter and participating in several field projects which will not be known to the competitors until that part of the program begins. From the inspection at the start until the Camp-O-Ral is officially closed, every action (or lack of it) is subject to judging by the officials.

Each patrol is under the exclusive leadership of its patrol leader, for no scoutmasters may cross into the competition field or offer assistance that might benefit the patrol in any way. Scoutmasters who attend must camp in a scoutmaster's section, and are not to hold any communication with their scouts. The Camp-O-Ral therefore provides the greatest possible opportunity for the expression of the patrol method, as the competing teams are completely on their own. They are judged on their ability as a result of their scout training to meet any problem which may be presented to them.

When is the Camp-O-Ral coming? May 17, the place, to be announced later. The main thing is, get all your existing patrols into shape as when the time comes you can pick the best one in the troop to send to the rally.

Watch next week's paper for more news on the Camp-O-Ral.

SCOUT LEADERS TRAINING COURSE

The eighth session of the Scout Leaders Training course met in the Oak Terrace school, Highwood. Songs opened the meeting and then a first aid demonstration of bandaging with the triangular bandage aroused a great amount of discussion as to the right or wrong; members of the North Shore Electric team were the final authority.

A talk "Dangers and Pitfalls of Boys" was given by Mr. George B. Masslich, superintendent of the Chicago and Cook County school, Riverside, Illinois. He dealt with the characteristics of juvenile delinquents and indicated the environments that produce delinquents. Questions after the talk brought out further interesting points.

A bandage race provided some necessary recreation and the meeting closed with the group giving the scout oath in Indian sign language.

HOBBY SHOW BIG SUCCESS

The Hobby Show which was held at the Lake Forest Winter club was an outstanding success. The attendance was more than expected, in fact the house was filled to its capacity. The hobbies exhibited dealt with handicraft of all kinds, stamp collections, coin collections, star exhibits, relics, and some fine nature collections.
