SCORE ONE RUN IN SECOND AND TWO IN FOURTH; WIN IN 5TH

Detman, Martin Get Two Hits Apiece to Head Batting List

Dropping a fluky hit over the third baseman's head in the last half of the fifth inning, "Monk" Martin brought in "Tommy" Rogan from second base to nose out Waukegan's "Bulldogs" by a score of 4-3. It was the first victory Deerfield-Shields has gained over Grosche's lads since 1926.

The game was closely matched till the end, with Sommerville and the Waukegan hurler hooking up in a pitcher's duel after the first inning. The game was cut down to five innings due to the fact that the air was rather frigid.

Detman and Martin led the hitting list, each clicking off two safeties.

Waukegan started off with a run in the first inning. Deerfield was held scoreless in the first but came back in the second to tie up the count. Sommerville fanned three in the second, and the score remained a tie, 1-1. But as Coach Thurston doesn't like close games, his "sluggers" went out in the fourth to garner two runs and go into the lead 3-1. However Deerfield experienced a bit of hard luck in

RIFLE TEAM THIRD IN TYRO TEAM MATCH

In the Inter-Scholastic Tyro Team match which was recently held by the National Rifle association, the Deerfield-Shields rifle club came in with a third place, scoring 1446x1500.

There were six entrants in this match, the first place of which was won by New Trier high school with the score of 1457x1500, and second place by Centennial high of Chicago, with a score of 1450x1500.

The team will receive eight percentage medals for all the men who made 90 per cent or over, and also five bronze medals for the five highest scores.

This match was open to teams of ten men each who had never won medals in competition.

Each of the men fired three ten-shot strings, or thirty shots altogether.

Francis M. Gallant, 3011 Eshcol avenue, Zion, died last week at his home from injuries sustained more than three weeks ago, on March 12, when he fell from a ladder. He was 71 years old, and had lived in Zion for more than a quarter of a century.

The \$8,879 estate of the late Edward J. Heydecker of Waukegan was taxed \$210, according to papers filed in the county clerk's office last week.

Lawn Seed or Hay Seed

Which Do You Sow?

SEVENTY FIVE percent of all grass seed mixtures sown in the Chicago area are chiefly composed of timothy, a coarse hay. It is a cheap adulterant, which comes up quickly, but inevitably ruins a lawn.

Two samples of grass seed mixtures now being sold on the north shore show the following analyses:

Socalled No. 1 mixture contains 47 percent timothy, 15 percent red top, 8 percent Kentucky blue grass, 9 percent rye grass, 1 percent white clover, 20 percent weeds, dirt and chaff.
Socalled "good" mixture contains 53 percent timothy, 16.7 percent red top, 1 percent Kentucky blue grass, 29.3 percent weeds, dirt and chaff.

An enormous volume of this trash is sold to and sown by uninformed buyers, who expend upon it their labor and costly fertilizer, without a chance of success.

KNOW What You Are Buying!

Your only protection against this vast and profitable adulteration of grass seed mixtures is to insist upon seed you can depend on. Ask for Vaughan's Chicago Parks Lawn seed, (or Columbian blend, for sandy soil and shady places.) They contain NO Timothy, but are composed of permanent grasses blended according to formula approved by government experts. Buy them at our stores, or from a local dealer who handles Vaughan's Lawn Seed.

Vaughan's Chicago Parks Lawn Seed (or Columbian blend for shady lawns and sandy soil), 1/2 lb., 25c; 1 lb., 50c; 5 lbs., \$2.40. Lawn seed orders for \$2.00 and over prepaid to 300 miles.

1930 Spring Catalog Free by Mail or at Our Stores.
