New GAS RANGE NOW!**

Nothing is a greater help in a woman's kitchen than a modern gas range with oven heat control. Instead of wasting time anxiously watching foods in the oven, every woman who cooks with an oven heat controlled gas range finds herself the possessor of many leisure hours. When oven temperatures are easily regulated to the exact degree required by all foods, simply by setting the oven heat regulator on the gas range, women can leave their kitchens for hours at a time, knowing that the results will be everything they desire. You, too, can let an oven heat controlled gas range bring you refreshing freedom and relief from cooking cares. There is no time like NOW for simplifying your cooking tasks. Come in or telephone. Our representative will be glad to serve you!
