

## VOTE ON ROAD BOND ISSUE ON APRIL 29

Special Election in County on  
\$1,250,000 Project; to Be  
Paid by Gas Tax

On Tuesday, April 29, the voters of Lake County will ballot on the proposed \$1,250,000 bond issue to finance the building of paved roads in the county, the principal and interest of the bonds to be paid off with the county's annual share of the state gasoline tax money, which for Lake county is estimated at about \$143,000 each year, while the sum to be paid for bond issue retirement and interest is estimated at \$110,000 a year.

In a letter sent out by County Superintendent of Roads, R. M. Lobdell, the purpose of the bond issue election, which is authorized by the board of supervisors, is explained and list of roads to be improved with this money is given. In addition also is given a list of the county roads which it is planned to pave with refund money from the state due the county for state aid roads already paved by the county.

### No Need of Tax Levy

The letter also points out that while according to law, the bond issue plan must provide for a tax levy to refund the bonds and pay the interest, this levy will not be necessary, as the money will be available through the county's share of the gasoline tax money, the idea of the bond issue being to build these roads in the next four years instead of constructing them piecemeal as the gas tax money comes in, which would take nine or ten years and necessarily would be much more expensive when done a little at a time, the letter explains:

The following is an excerpt from Engineer Lobdell's letter explaining the bond issue plan:

## Play Presented by Pupils Most Creditable

The pupils of the sixth, seventh and eighth grades in the Oak Terrace school presented "Tulip Time in Holland," an entrancing operetta, last Tuesday and Wednesday evenings in a manner that would have done credit to young people a number of years older. The scenery was beautiful, the costumes colorful and authentic, and the melodies delightful.

The cast was a large one and the singing was directed by Miss Nelson, the music teacher of the school, who was presented with a huge basket of spring blossoms at the conclusion of the last performance.

Wayne A. Thomas, principal of the school, who has a flair for fine dramatic and musical productions as evidenced by this and previous plays in both Deerfield and Highwood, led the orchestra which was made up of a number of former Oak Terrace students, now in high school, with some from Lake Forest, Highland Park and Deerfield. Mr. Bolle the band leader of the high school played the cornet in this neighborly, friendly orchestra. A citizen of Highwood said that Mr. Thomas had done more for community service in Highwood than any other resident past or present.

## Mrs. K. L. Horigan Dies in Florida, April 14

Mrs. Kathryn L. Horigan—R.N. for many years a resident of Ravinia, died at her winter home in Miami Beach, Florida, on April 14. Mrs. Horigan was a graduate of the Illinois Training School for Nurses and was the first superintendent of school nurses of the city of Chicago. For many years she had been a semi-invalid, afflicted with heart trouble. She endeared herself to those who knew her by her fine mental attainments—her noble character and cheerful disposition. She loved nature in all her moods, and in her woodsy and quiet home on Bronson lane enjoyed the birds and trees and flowers. In spite of her invalidism she was able to do many worthwhile things, such as hand-weaving and other forms of artistic decorative work. She also composed many nature poems. In her profession as a nurse she gave the best she had without stint. It may be said of her as a poet has apostrophized: "The Nurse."

"She toils as one who does not toil for hire,  
Does ugly service in a queenly way,  
As one who asks but gratitude for pay,  
She keeps her post but never seems to tire,  
She loves her work, yet such the art thereof  
She makes of it a glorious work of love."

She was a lover of books and poetry—the minor strain had a particular appeal: The following was part of a favorite Nocturne:

"The sweet day sinks into repose,  
The hour is pensive, dusk descends;  
The flowers their weary eyelids close,  
The song of many a robin ends;  
The sward with gracious dew is wet,  
The twilight star in purple glows—  
In lavender and violet,  
Dream thou until the darkness goes."

She leaves a devoted sister, Miss Carlin, one of the pioneer woman lawyers of Chicago, formerly assistant state's attorney and public guardian of Cook county, with whom she lived, and also a nephew, William L. Carlin, an attorney of Chicago, and two nieces and a nephew in Florida.—Contributed.

Miss Agnes Hanna, Ft. Wayne, maid of honor, wore a peach colored gown and carried a Colonial bouquet. Robert Steger, of Ft. Wayne, was best man.

The bride's mother wore brown lace with a corsage of violets and Mrs. Hanna wore grey chiffon, with a corsage of violets.

A wedding supper followed the ceremony. The small tables were lighted with pink tapers and the bridal table was in white and silver with a center piece of roses and lighted with white tapers.

Mr. and Mrs. Hanna will be at home after a wedding trip at 922 State street, Schenectady, N. Y. Both Mr. and Mrs. Hanna are graduates of Butler university.
