**VOTE ON ROAD BOND
ISSUE ON APRIL 29**

(Continued from Page 6)
adopted a resolution calling a special election on April 29th for the purpose of submitting to the people of this county the question of an issue of bonds to finance the construction of concrete roads. The amount of this proposed bond issue is one million two hundred fifty thousand dollars.

The resolution passed by the board of supervisors designates the following roads to be built with this money:

Bond Issue Roads

1—Milburn road, from the end of the present pavement at Hickory Corners to the north line of Lake county near Pikeville. Estimated total cost, \$63,000.

2—Deerfield Road, from the end of present pavement west to Route 21. Estimated total cost \$94,000.

3—22nd Street Road, from Route 42-A to the west city limits of North Chicago. Estimated total cost \$16,500.

4—Buckley Road, from Route 42-A at Five Points, west to Wells Corner on Telegraph Road. Estimated total cost \$45,000.

5—Wilson Road, from the Gavin school on Grand avenue south to an intersection with the present pavement at Graham's Corner. Estimated total cost \$66,000.

6—Grass Lake Road, from Route 21, near Loon Lake station west to Route 59. Estimated total cost \$30,000.

7—Lake Zurich - Mundelein Road, from Route 22 in Lake Zurich northeasterly through or near Fairfield and Gilmer, thence across Route 59-A and north to an intersection with Route 176 in Mundelein. Estimated total cost \$202,500.

8—Druce Lake Road, from Wedge's Corner on Grand avenue south past Druce Lake and Gages Lake, thence across Belvidere road and on south to an intersection with Route 21 on the line between Libertyville and Fremont townships. Estimated total cost \$180,000.

9—Mundelein-Buffalo Grove Road, from Route 176 in Mundelein south and southeasterly crossing Town Line Road about a half-mile east of Diamond Lake Corners; thence continuing southerly across Route 22 to an intersection with the Buffalo Grove-Long Grove Road approximately a quarter-mile east of Long Grove; thence following the Buffalo Grove-Long Grove Road with suitable relocations to the Cook County line. Estimated total cost, \$350,000.

10—Slocum Lake Road, from its intersection with Route 176 east to Rand Road in the Village of Wauconda. Estimated total cost, \$30,000.

11—Diamond Lake-Half Day Road, from its intersection with Route 50-A near Diamond Lake Corners southeasterly to Route 21 at Half Day. Estimated total cost, \$141,000.

12—Dugdale Road, from the south limits of the City of Waukegan south to an intersection with Route 42-A. Estimated total cost \$32,000.

Width of Roads

The roads listed under Numbers 8 and 9 are proposed to be paved 20 feet wide with 10-foot shoulders and all the others are proposed to be paved 18 feet wide with 8-foot shoulders. I am responsible for the estimate

of cost of these projects and I believe that they fairly and honestly represent the total cost of construction in each instance.

The state constitution makes it mandatory that when bonds are issued by a county, provision shall be made for the retirement of the bonds and the payment of interest thereon
