THE GREAT **ATLANTIC & PACIFIC** TEA CO. MIDDLE WESTERN DIVISION

Highland Park Methodist Church North Ave. at Lauretta Place Frank Davidson Hopkins, Minister

Easter was a glad day in our church. It opened with a Sunrise meeting held by the Epworth league, which had a good attendance and was addressed by "Jim" Jennings, who gave a most helpful talk. Following this the league served breakfast to all who cared to remain. The entire occasion was well managed and much enjoyed.

The Easter morning church service was largely attended, the church being filled. Beautiful plants and flowers dressed the church in Spring-like garb. The choir rendered special Easter anthems. The sermon by our popular district superintendent, Rev. Aubrey S. Moore, was a great inspiration and the people delighted in its masterly qualities.

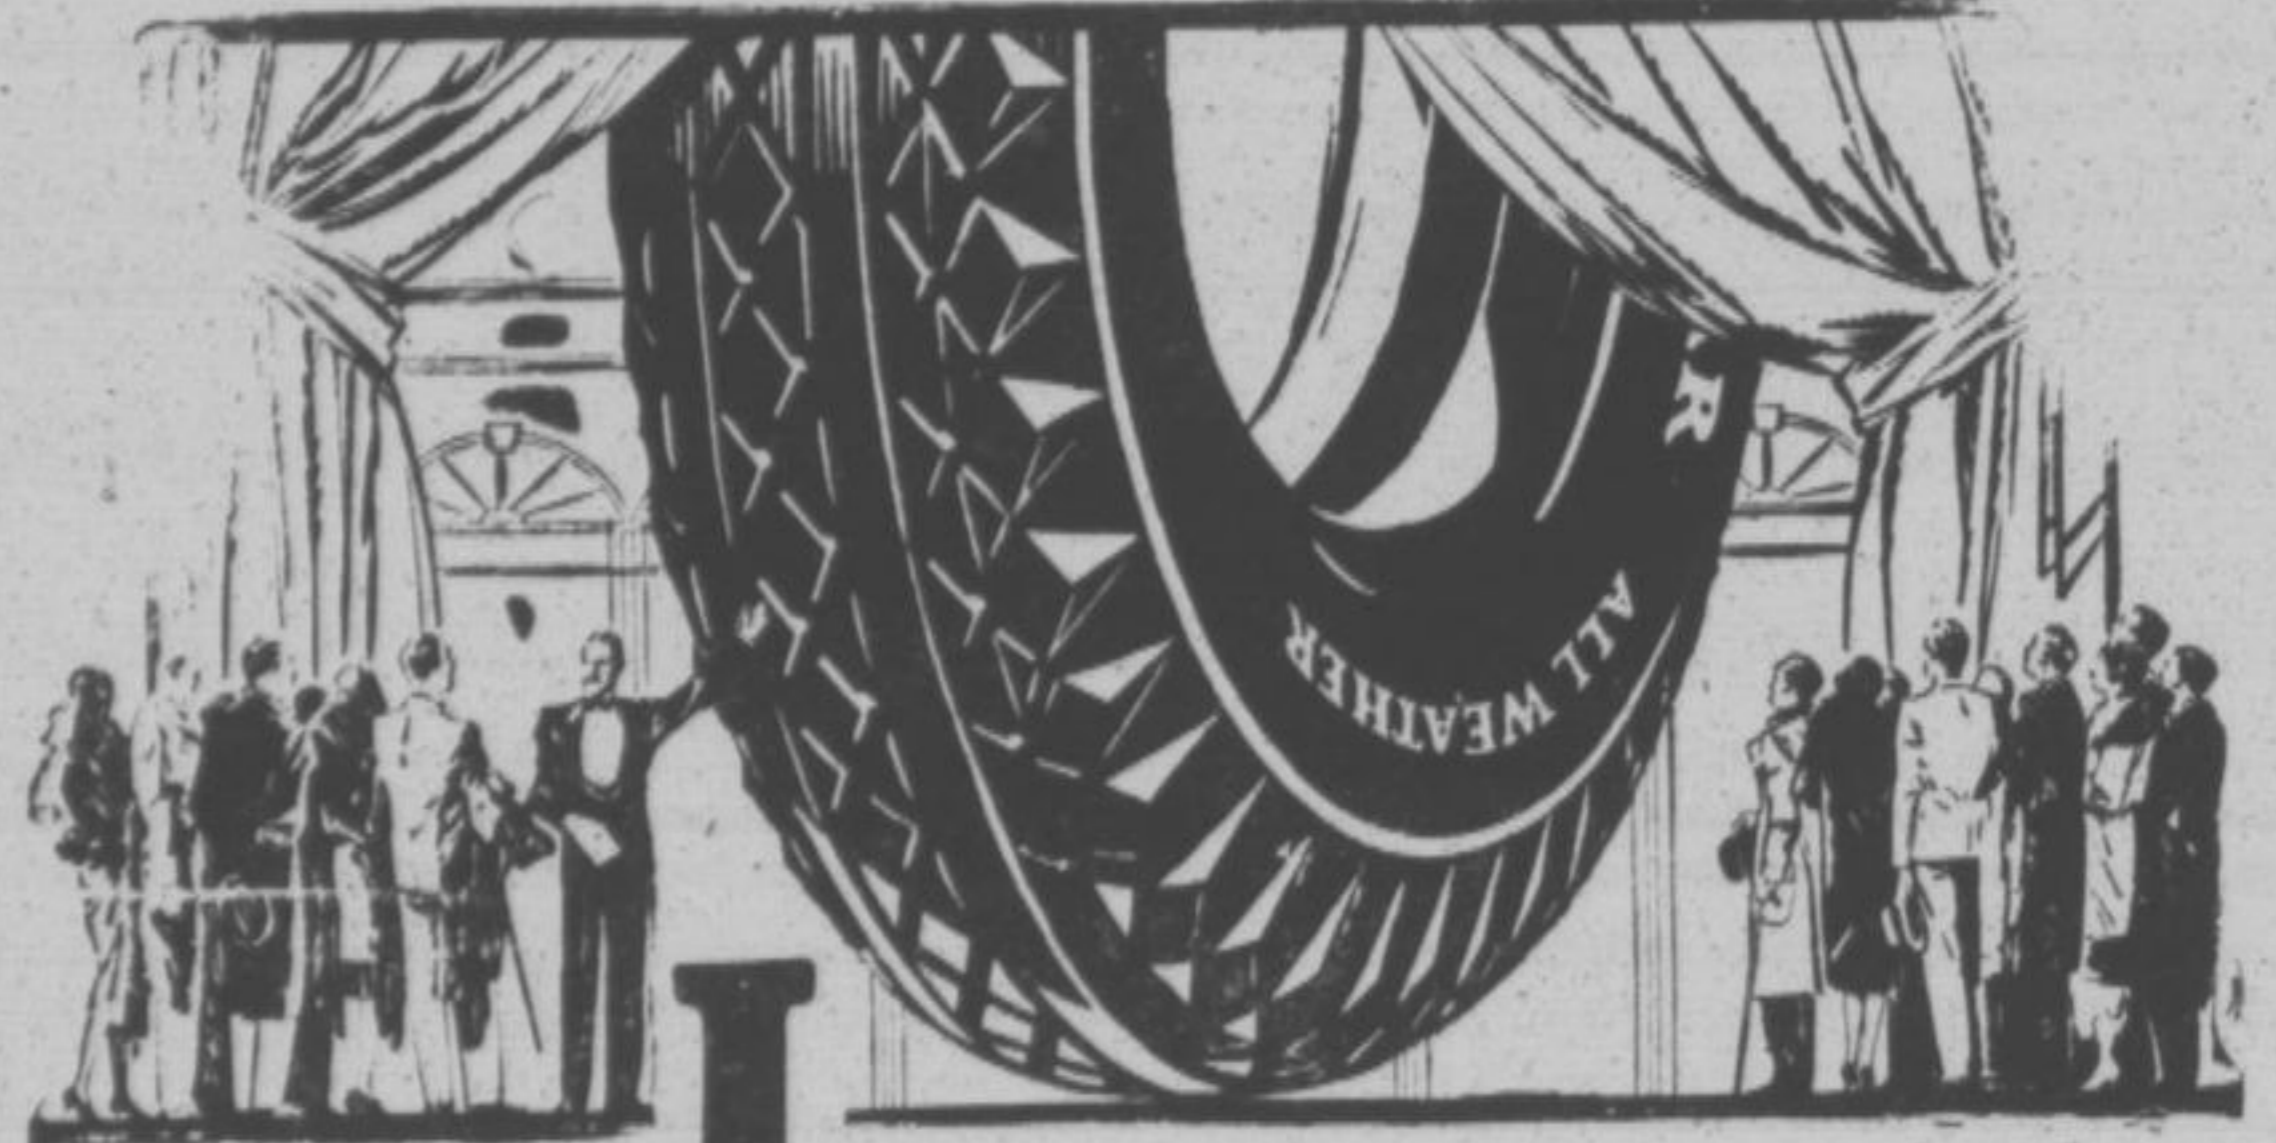

In the evening the choir gave an Easter cantata, "Life Eternal," by Holton, which was musically of great merit, was most excellently sung and so pleasing to the audience that they will sing it again next Sunday morning in order that those who were not present owing to the rain, may have an opportunity to hear it.

The pastor Rev. Frank Hopkins, is making steady progress towards full recovery, being now able to be up and about the house part of each day.

He has been ill for over two months. He was able to attend church last Sunday evening and enjoyed the cantata greatly. The young men insisted he must be there if they had to carry him over, but he was able to walk the short distance involved without help. He hopes to be present next Sunday although he will not preach as the Easter cantata will be repeated at the morning service.

Our young people should not forget the Epworth league meeting next Sunday night. These meetings are not "cut and dried" affairs and no one knows just what is going to be said, for the discussions are unusually free and open; not only do the young people have an opportunity to talk but as a rule they do not need urging to do so and the time is fully occupied. These gatherings are proving of great value.

The poor blind horse, pulling his power sweep around in the same little circle all day long, seems to get nowhere and at night is just where he started in the morning. Much of our lives may seem like that, tramping round and round with little result. But if we are doing our best for God, we are in some way surely linked in with His great plan, and some where the plan is being accomplished through our help. "Be not weary in well doing for in due season we shall reap if we faint not."
