If list price, and the first thousand miles of car operation were the only things to consider, you might be sensible in purchasing some other car besides Cadillac or La Salle.

But final costs of 25,000 to 100,000 miles of driving is the real point at issue.

Replacements must be thought of—and overhauling. They cost money.

All the customary maintenance costs are reduced—and many entirely eliminated, when you purchase a Cadillac or La Salle.

These are facts we're prepared to demonstrate to your satisfaction. When may we have the opportunity?

Bethany Evangelical Church

H. F. Siemsen, pastor

A. S. Haag, assistant pastor

The Easter services at Bethany church were splendid praise services in honor of Our Risen Lord and Master. The attendance was fine at both the services, and we trust that our members and friends will lend their loyal support in the other services leading to Pentecost.

The annual conference of the Evangelical churches of Illinois will convene this week at Elgin, beginning on Tuesday and concluding on Sunday. The pastor and Mr. Arthur Vetter are the delegates from Bethany church. Members and friends are invited to the evening services of the conference, and to all the Sunday services.

Sunday school at 9:45 as usual next Sunday. Morning worship at 11:00, in charge of Mr. A. S. Haag, our assistant pastor. He will speak on "The Master of the World." There will be no evening services because of the proximity of the conference. However the following Sunday services will be as usual with the pastor in the pulpit.
