An Austrian has invented a color wave piano which is said to "translate musical sound into harmonies of light." We wouldn't want to have to look at some of the musical sounds we hear in our neighborhood.

The
PERFECT POWDER

Harmonizes
Invisibly

HAVE you ever longed for a powder which would lend a flattering soft tone to your skin, freeing it of shine, yet not giving it a made-up look? Dorothy Gray's Jacqueminot Face Powder is extra-fine; it clings for hours; it is delicately fragrant—and it is made in four subtle shades.
