Feature of Session Here
on April 24th

By Dan Hunt

Two Highland Park business men, James and Peter Vlasos of the Highland Park Cafe, and Forrest E. Barrett, a Highland Park resident, were initiated as members of the American Legion, on Thursday evening, April 24, by the degree team of Dumasq Spencer Post, Highland Park. The occasion was the regular monthly meeting of the Lake County Council of the Legion, held in Witten hall.

Fred Gallagher headed the degree team as commander, Frank Ronan as pass commander, Loren Cahn as first vice-commander, Peter Naughton as second vice-commander, Donald Bernardi as sergeant-at-arms, and Henry Hanson as chaplain.

Owing to the absence of County Commander Charles C. Kapschull because of jury duty, Senior Vice-Commander Mancel Talcott of Waukegan received the gavel from Arthur Montgomery, commander of Dumasq Spencer post, which entertained the council for April.

"Winnie" Zimmer, as chairman of arrangements, put over a surprise in the form of a radio entertainer, Dario Bonetti, Italian violinist over station WORD, who with the assistance of Vergilio Lencioni, accordionist, and Rocco Stella, guitar, played a number of lively tunes thoroughly enjoyed by the Legionnaires.

Sharvin Drum and Bugle Corps led the parade around the business district of Highland Park before the business session.

Arthur Maplethorpe of Antioch, in charge of athletics for the council, and Ed Jacobson, Deerfield's athletic director, gave brief reports on the junior league baseball situation. A meeting of all post athletic officers was called for Monday night, April 28, to further discuss plans in the formation of a Lake county league.

Dan Hunt gave a short talk on the work of the Lake County Legionnaire and what plans were made for that paper's future. He stated that 2,000 copies were now being distributed by mail to Legionnaires in the county. Approval was given by the council to open the advertising columns of the paper to non-Legionnaires as long as the ads accepted conformed to the Legion's principles.

Howard Garnant of Great Lakes gave a report on the reorganization of "10-and-8" in Lake county. Loren Cahn of Highland Park read a report on the Johnson Bill in Congress and urged its support. (This bill has been passed).

Considerable discussion was aroused by Arthur Montgomery when he asked about the handling of relief cases under Bogardus Act. There were many differences of opinion, and a lively "round robin" debate ensued between George Briggs of Deerfield, Ben Gordon of North Chicago, Art Montgomery of Highland Park, Frank Elwell of Highwood, Matt Porter of Lake Forest, and Steve Adamski of North Chicago. As no decision could be reached it was decided to let Com-

mander Kapschull get a report from the board of supervisors as to what was the proper procedure.

Board of Directors of D.A.R. Chapter Meeting

The board of directors of the North Shore chapter of the D. A. R. held their meeting at the home of Mrs. R. L. Sandwick Wednesday, April 29, Mrs. Sandwick entertaining the members at luncheon preceding the meeting.

The annual meeting of the chapter will be held on Thursday, May 8, at 2:30 p. m. at the home of Mrs. E. B. Jordan in Deerfield. There will be no special speaker as the program will be given over to annual reports, election of officers, and reports of

delegates to the state and national conventions. Those who attended the latter report a most interesting session and the fact that 10,000 new members of the D. A. R. were accepted during the last 10 months shows the growth and interest manifested in this organization.
