

Clark City Hall Building

The Master Workmanship of this Building

BUILT BY
General Contractor
 Contract

Office H. P. State Bank Bldg.
 Res. 369 Cedar Street

been designed to meet the requirements of a
 plan and from the standpoint of its archi-
 more or less natural surroundings these sur-
 ous types of buildings will take the place of
 ulated and built up community ahead a
 been built that will look a part of a suburban
 des for a future addition on the east which
 arious departments of the city offices.
 n colonial style and built entirely of selected
 d Stone trim and somewhat recalls the typi-
 can cities of the Colonial period. The build-
 forced concrete with hollow tile partitions.
 rcular entrance lobby with walls of imported
 e Building Department, Health Department,
 , Public toilets, etc. The Police Department
 ent side entrances and the Police Depart-
 not surpasses any jail in this locality.
 end a wide marble stairway to the public
 on three sides by a counter with wickets
 id. On the other or west side of the lobby
 e dignified room surmounted by a dome. In
 arings will be held. At one end of the coun-
 Manager's office and at the other end the
 lice, all departments having direct access to
 Vaults, storerooms, toilets, etc. are pro-
 rge garage for police automobiles.
 y to be laid up entirely of selected Bed Face
 pical of the old time weathered stone walls
 ngland States.
 rable appearance of light and cheerfulness
 of the city government.
