Ice in 80 minutes

World's Fastest Freezing
—proved in nation-wide test—

In a country-wide test on March 18, Kelvinator dealers in 48 states and the District of Columbia, reported that Kelvinator's wonderful Super-Fast Freezing froze water to solid ice in from 45 to 155 minutes.

The average of all freezing tests was 80 minutes. Even the outside figure—155 minutes—is far faster than any other automatic freezing known to domestic electric refrigeration.

Only Kelvinator domestic models have the famous Iso-Thermic Tubes, without which automatic super-fast freezing is impossible. These tubes, acting as a cold plate, give amazingly fast freezing, automatically. No regulation is needed. Nothing to tax the memory.

Only with Kelvinator can you freeze ice rapidly without lowering the temperature in main food compartment. Foods can never be spoiled through too low a degree of cold.

The model Kelvinator you require may be purchased on easy terms through Kelvinator's attractive ReDisCo monthly budget plan. 1151

St. Paul's Evangelical Church

Deerfield, Illinois

F. G. Piepenbrok, Pastor

Church school—9:15 a. m.

Worship service—10:30 a. m.

Choir Friday—8:00 p. m.

The Lenten and Easter season of 1930 has brought new life and interest to the St. Paul's Evangelical church. Attendance at our worship services is most gratifying. The addition of that splendid group of new men and women and young people to the membership of the church will greatly advance the strength of the organization and will offer encouragement to continue our efforts in the growth and development of the church.

The period following Easter and extending until Pentecost offers splendid opportunity to once more concentrate our interest and attention upon the work of the church. Pentecost always brings to a climax the most active season of the church year, but the Pentecost of 1930 is of special significance because it is the 900th anniversary of Christ's entry into His ministry.

Pentecost falls on Sunday, June 8. Our interest should not wane until then. After that let the vacation season start.

The teachers and officers of the Church school will meet at the Sunday school room Tuesday, May 6.

We should never miss the opportunity to worship God. And the Lord's Day is especially set aside for your pleasure to draw a little closer to hear the Word of God. We are constantly receiving God's special gifts

of love and we therefor need to come before Him to know more of Him. We must remember that the Sabbath was made for man, to rest from his labors and permit God to give him renewed strength for problems that shall confront for the coming week. The Zion Lutheran church welcomes you to worship with them.
