

Moose Present Emblem to Past Dictator at Meeting Monday

Highland Park lodge No. 446, Loyal Order of Moose, held its regular meeting last Monday evening at Witten Hall at which time a large class of candidates were initiated. The regular degree staff exemplified the work which was done in a very pleasing manner.

Past Dictator H. A. Hanson presented Junior Past Dictator H. Coleman with a beautiful Moose emblem ring, on behalf of the lodge, for his splendid work as dictator during the past year. Each year the lodge presents its retiring dictator with some token of appreciation for their services rendered the order. Mr. Coleman has been numbered among the most outstanding dictators as it is under his supervision the local organization has made such wonderful progress.

John O'Brien and H. A. Hansen, committee on entertainment, are now making plans for the annual trip to Mooseheart. A definite date has not as yet been decided on but the committee have partly planned this trip for Sunday, June 15. Notices will be sent to all members in due time.

At the next regular meeting which will be held Monday evening, May 26, memorial services for deceased members will be held. All members are urged to be present and in this way honor the memories of departed members.

It may be interesting for members to know that at each meeting a prize is being donated by some member of the lodge to the person holding the lucky number. This plan has increased the attendance at meetings and each member is urged to be present at the next meeting for the drawing. The prize is to be donated by Dan McNeil.

Last Tuesday evening a number of Highland Park members attended the meeting of Waukegan lodge at which time the mortgage on their Moose home was burned with proper ceremonies. At the close of the meeting a social time was enjoyed by all.

Attend Scout Council

Albert P. Snite

Mr. Albert P. Snite, national council representative of the North Shore Area council, is in New York this week attending the annual meeting of the National Council of the Boy Scouts of America. Many problems of importance are to come before the national meeting this year, including the younger boy program, extension of the registration system of adults, the \$10,000,000 campaign to secure funds to enable the national council to extend its service to the local fields and various other items involving extension of the work to serve a larger number of boys with a larger number of trained leaders.

Mr. Snite has been a volunteer worker in scouting for many years and was the first president of the North Shore Area council at the time that it was organized in December of 1926. His home is at 201 Central avenue, Highland Park. His sons, Albert Jr. and John, are both Eagle Scouts.

Several Are Injured in Automobile Crashes

Miss Grace Niebuhr was badly shaken and bruised in an auto accident last Thursday, May 8, when the car which she was driving on Deerfield road struck the rear of another car going the same way. She was taken to the Highland Park hospital and on Monday was able to be removed to her home.

Miss Irene Myers and Miss Esther Niemic were slightly injured Saturday while driving on Prairie avenue when their car and one driven by James Riley of Highwood sideswiped each other. The girls were not seriously hurt and were discharged after being treated at the Highland Park hospital.

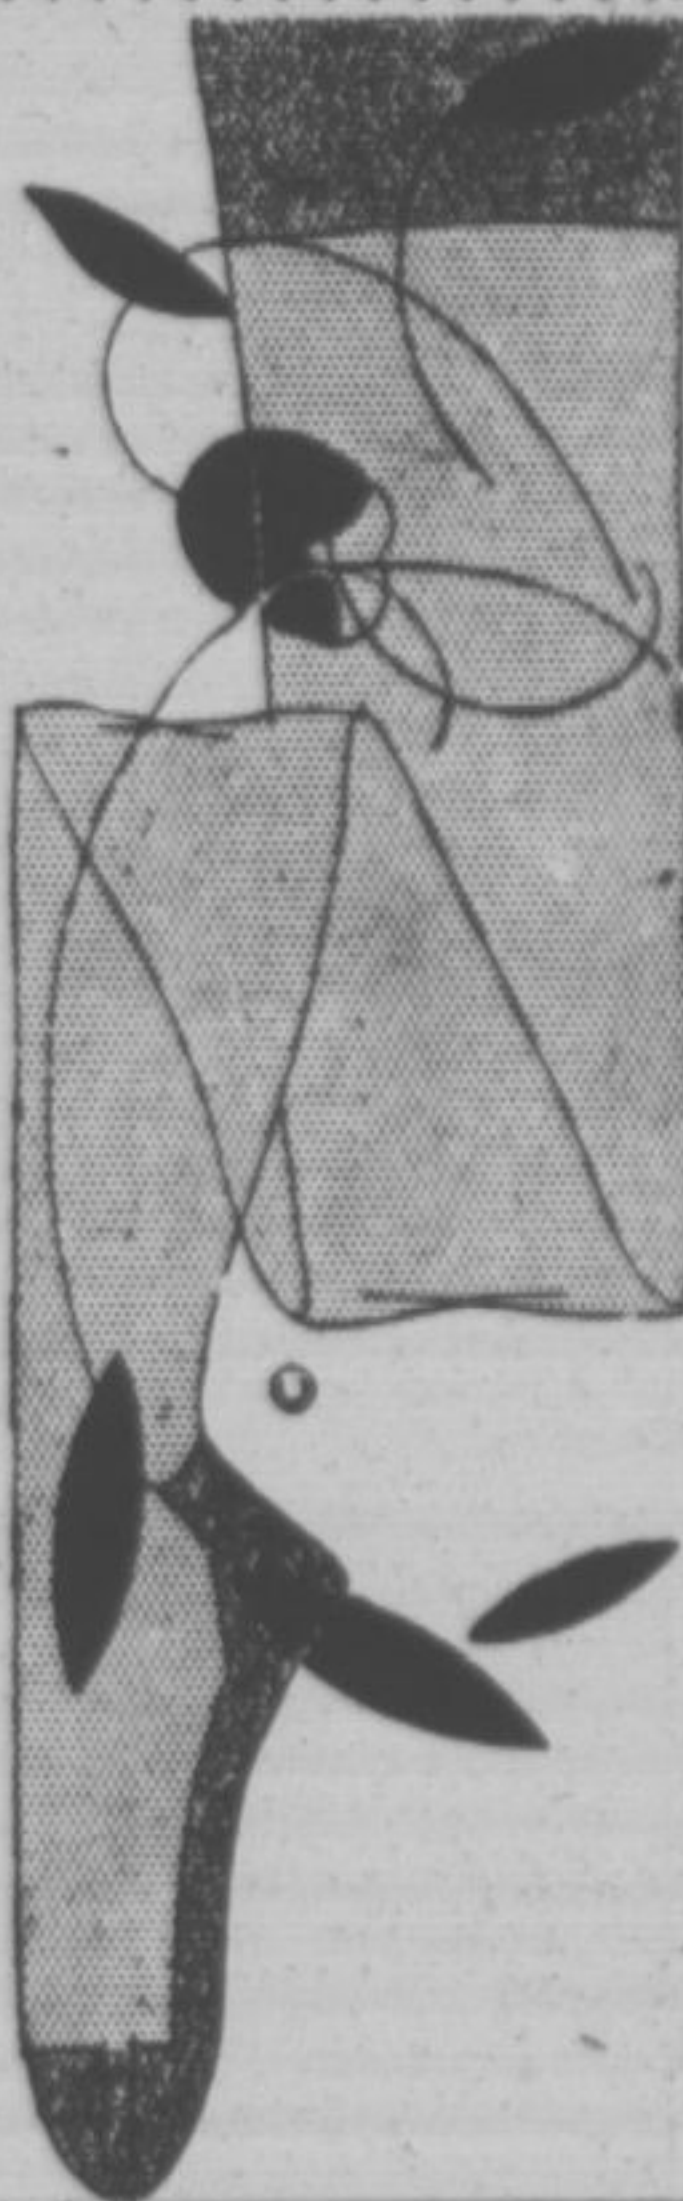

Chester Tomei of McDaniels avenue was struck by a car Sunday evening while walking on the Sheridan road and Central avenue intersection. The car was driven by a Mrs. Mihill of Lake Forest, according to the report to the police. He sustained slight bruises.

Two Massachusetts boys who ran away from home to become aviators were betrayed in New York by their Bostonian accent. If they wanted to remain in Manhattan unnoticed they should have cultivated the "Thoid Avenue" dialect.

The small boy who used to balk at the garden in the spring has grown up now to be a tired business man who can't walk more than 20 miles a day over the golf course.
