Last Friday the Makio and Makiolet groups of Girl Reserves had a joint meeting in the form of a beach party. All afternoon the girls thot of the tasty lunches so after our hike from school to the lake some girl wanted to eat right away. We played many games and sang and had racing contests—and even took pictures. By that time there was an unanimous decision to eat! A fire was built and lunch unpacked. After our appetities had been appeased Mrs. Hutton came and spoke to us about camping and camp life. The big question is where will we find a camp big enough to put all the enthusiasm the girls have?

The ring song and taps were sung and thirty-five happy girls tripped merrily home.
