Members Here Interested in Program Over WGN Monday Afternoons, Report

Members of the Highland Park League of Women Voters who have been following the league's radio program on WGN Monday afternoons at 2:30, heard an interesting discussion of the World Court last week.

"We Americans today are in many cases trying to cope with the international problems of the present with the mental furniture of the 18th and 19th centuries." This was the keynote of the radio address delivered by Clifton M. Utley, editor of Foreign Notes, during the Illinois League of Women Voters' hour from station WGN. "Because the father of our country, having in mind the weakness of the nation for whose life he had fought, and the international anarchy then prevailing enjoined his successors to shun international entanglements, many good citizens today without reflecting on the changed conditions, look askance at all suggestions for co-operation between the United States and Europe."

## Recital Sunday Is Heard with Interest

The musical recital of the Trinity Episcopal church last Sunday evening was one of more than passing interest. The program of music of the Christian year was admirably conceived and rendered. The choir of men and boys sang delightfully. Interspersed with solos by Mr. Jerome, Mr. Thompson, Mr. White and two of the boy sopranos demonstrated careful preparation and training by the choir-master and organist, Mr. Jerome.

The selections given on the organ by Mr. Jerome accompanied by Miss Priscilla Carver on the piano, were a revelation to the large and attentive congregation. Those showed perfect technique, harmony of action, and feeling, thrilling the listeners.

The service was preceded and closed with short prayers by the rector, Mr. Keller. —Contributed.

These Ravinia boosters are the members of the Ravinia Opera club which, realizing that in Ravinia Opera the north shore has a cultural asset of inestimable value, has constituted itself an auxiliary force to assist in promoting it.

At the annual meeting held recently, the club members were Mr. Eckstein's luncheon guests at the Moraine hotel, Highland Park, and plans were made for the season's activities. The first of these is the sale of the Ravinia coupon books, each containing 20 general admission coupons which give the holder the advantage of admission at a price considerably less than that set for single admission tickets. There is no subscription plan at Ravinia, the nearest approach to it being the coupon books.

## Highwood Observed Poppy Day May 24

Stupey-Smith Post No. 501, and American Legion Auxiliary of Highwood, will hold their annual "Poppy Day" on Saturday, May 24.

"We wear the poppy once a year to express the feeling of reverence that is always in our hearts for the men who died on the poppy-studded fields of France and Belgian during the World war. The poppy is their flower. It grew over their fresh graves; the one touch of beauty and life in all that region of destruction and death known as the front. Nothing can symbolize our remembrance of the sacrifices of the World war dead in so fitting a way as the wearing of the poppy.

"The funds derived from the poppy sale constitute the largest source of revenue for the rehabilitation and child welfare work of the Legion and Auxiliary. 'The little poppy fills the gap.' With the funds from the poppy sale the Legion and Auxiliary step in where the government cannot reach. When you buy a poppy Saturday, May 24, think of the disabled veteran in a hospital or convalescent workshop who has fashioned the little blood-red flower. Think of the fatherless family whose struggles during the coming year will be lightened by the coin you drop into the poppy workers' box.

"Forget them not! As years go by, On our remembrance they rely, They are the maimed Death did deny

It's solace—crippled, blind, they try To find on earth the peace they know In Flanders Field."
