

## Y. W. C. A. Notes

### G. R. Camp

The magic word camp with all its joys and anticipations will truly be lived by the Girl Reserves of the Y. W. C. A. who are planning to spend a week or two at Camp Merry Days lodge on Druce Lake, June 14-28. Because of the spacious lodge and cottages on the grounds it is ideal for all-groups to camp at the same time. But those planning for one week only register according to the following: June 14-21, Swastika, Makio, Deerfield, and L. L.; June 21-28, Cubs Jr., Cubs Sr., and Makiolets. A registration of \$1.00 should be in by June 1st, those registering after June 1st, there will be a 50 cents per week extra charge. Balance of \$4.00 per week to be paid at the Y. W. C. A. before going to camp. Transportation will be furnished by the Y. W. C. A. Activities will consist of swimming, boating, handcraft, hikes, treasure hunts, baseball, stunts, out-door cooking, beach supper, nature lore and evening campfires.

What to bring seems to be in the minds of both campers and mothers.

### What to Bring

2 blankets, 2 sheets, 1 pillow case, 2 towels, wash cloth, soap, tooth brush, paste, notebook and pencil, bathing suit and cap, 1 G. R. uniform or white dress and blue tie for Sunday and special occasions, tin cups, knickers, gym bloomers or both, several waists and middies, 3 pair stockings or socks, heavy sweater or jacket, shoes for hiking, kimona or bathrobe.

### Suggestions to Bring

Flash light, tennis racket and ball, musical instrument, kodak, stunt costume, fishing line.

An all wance of \$1.00 per week will cover incidental expenses. Parties, material for handcraft, candy and ice cream. Visitors are welcomed from 3 to 5 and 7 to 8 o'clock.

The program will be set up to meet the age and needs of the campers. The camp strives to maintain the highest standards of achievement of fun and health.

Only by each camper doing her best to further "camp spirit" can this be done. Carefully planned menus and proper periods for rest all tend to make happy, healthful living.

There will be plenty of instructors and advisors to assure the mothers the child will properly be supervised and the campers plenty of organized play and camp activities.

The camp is under the direction of Lydia V. Hutton, general secretary, Hermina deHartog, assistant director, Rose, Opitz, Art and Music, Vance Hirt, physical director. Counselors are Marjorie Kendall, Marjorie Drager and Myra Jane Hutton.

The advisers drove to camp Monday evening and planned the program which will fit the location, surrounding tramps and lake.

In next week's paper the camp program will be published.

### Hike

The Girl Reserves will have their all-day romany hike Saturday, May 24. Those going, please be at the Y. W. C. A. with lunch tied on the end of a stick, by 10 o'clock—"ready to

start." There will be a campfire at noon for those who wish to cook, roast weenies or bacon. All Girl Reserves are urged to attend. The distance will not exceed 3 miles. We will be back at the Y. W. C. A. by 3 o'clock.

### B. Y.'s Club

The B. Y.'s will meet at the Y May 27, where they will complete plans for their cutting party June 1. This is one of the old customs of the club and is much looked forward to by its members.

### Friendship Club Tea

### Missouri Man Tells

#### Census Enumerator

#### He Is 118 Years Old

Carrying his burden of years lightly, a Missouri Ozark resident was counted in the Butler county, Mo. census last week who gave his age as 118 years, according to H. B. Koch, census supervisor, reports the Associated Press. According to the enumerator's report to Koch, the man was making railroad ties on his farm near Henderickson, and declared he was getting ready for the same program he carried out last year, harvesting crops from 15 acres of land.
