HIGH SCHOOL STUNT PROGRAM IS SUCCESS

Packed House Sees Third Annual Presentation Friday Night; Features

Before a packed house more than 300 students of Deerfield-Shields high school on Friday evening presented their third annual Student Stunts program in the high school auditorium. The program included three sections, entitled, Americana "Fantasia" and "Jazzmania."

Since this feature was started three years ago it has grown each year in both elaborateness of production and popularity with the public, and the notable success of Friday night's presentation augurs well for still greater efforts in this line next year.

The program was given under the auspices of the P. T. A. for the benefit of the Richard F. Sandwick memorial scholarship fund.

The P. T. A. committee in charge consisted of Miss Bredin, chairman, Miss Connelly, Mrs. Peers, Miss Comer, Mr. Peers, Mrs. Herbert Smith, Mrs. Jenkisson, Mrs. Danley, Mr. Kendig, Miss Lane, and Mrs. Jerome.

Band Opens Program

Mr. Bolle's band opened the program of the evening by playing in front of the auditorium. As last year they marched up to the stage, playing Sousa's Washington Post March, one part marching down the left aisle, one part down the right and the drum-major down the center. The drum-major, by the way, was Brent Wrenn.

They also played the "Maine Stein Song" and Sousa's "Stars and Stripes" march.

The second part of the program, Americana, was devoted to "Saturday" (Continued on page 24)

Military Funeral for Lake Forest Pilot Who Was Killed Last Week

The funeral of Harold Mayer, Lake Forest airplane pilot, killed May 23 while making a landing with two passengers in Indiana, was held Monday at the Lake Forest Presbyterian church. It was a military funeral, and the pallbearers were senior officers of the aviation department at Great Lakes Naval Training station. Burial was in Lake Forest cemetery.

Mayer, who was 24, was a former student at Lake Forest college. He was employed by the Curtiss flying service and was regarded as an excellent pilot, efficient and careful. His plane struck an unlighted tree on the landing field, causing the accident. He is survived by his wife, who was formerly Miss Elizabeth Haltenhoff of Lake Forest. Both passengers in the plane were injured but not severely. Mayer is the third former Lake Forest student who has been killed in airplane accidents. Clarence Coble was victim of a crash on the Pacific coast a year ago and Ray Rowe was killed about a month ago in Texas.
