

Y. W. C. A. Notes

G. R. Camp

Camp Merry Day's—Girl Reserve camp on Druce Lake, June 14-28 is one of the most popular topics of conversation among the Girl Reserves. It is something to look forward to. Camp life is an experience every girl should have.

The lodge is nestled among mighty oaks of a large rolling yard on the water front. A large living room with fireplace, piano, victrola, tables, chairs, benches, give a homey atmosphere. Beds in the upstairs dormitory and the large screened sleeping porch will assure plenty of space and comfort. The younger girls will be housed in an adjoining lodge with a sleeping porch facing the lake. The meals will be served on a large screened porch.

The swimming and boating will be in charge of Lucille Clements Cain who has had five years of experience. Not once will the boats be taken from the pier by the girls without a counselor in charge. The buddy system will be used in swimming. Each group will be given special attention during their swimming hour. Swimming tests will be made Saturday afternoon that the instructor will be familiar with each girls ability. Those passing the test will be given the first Red Cross swimming button.
