**Annual Meeting Held in Glencoe May 19**

"The North Shore Congregational Israel held its annual congregational meeting and dinner at the Temple in Glencoe on Monday, May 19, at 6:45 o'clock. The Sisterhood of the Temple co-operated with Mr. Arthur M. Adler and his committee in planning a very fine dinner. Following the dinner the Temple choir sang a number of folk songs and then the business of the evening was conducted and the official reports were read.

At the conclusion of official business, the speaker of the evening, Dr. Solomon B. Freehof of Chicago, was presented. The burden of Dr. Freehof's talk was to point out the six religions that have originated in America—land of many unique originations. Dr. Freehof traced the history of each of these six religions, outlined the teachings of each, classified the six religions in to two groups of three each, and then in his masterful way compared the two groups and discussed their future. The Temple assembly was crowded and all responded eagerly and enthusiastically to the, as always, direct and brilliant speech of Dr. Freehof."
