Many Events Features at Annual Field Day

The Ravinia school held its field day Monday afternoon and evening. The races were handled by the teachers and fathers. After racing, the fourth, fifth and sixth grades put on a massed tumbling number. This was followed by two baseball games. The girls of Ravinia school played a team of girl graduates. This game was won by the Ravinia team 17-13. The fifth grade boys' team took the sixth grade into camp by a close score.

After luncheon, prepared by the P.T.A., the fathers played a baseball game against the Ravinia boy's team and a volley ball game against the girls.

In New Location

Highwood Boy Scout Drive to End May 31; Strive to Reach Goal

The Boy Scout Finance committee of Highwood is planning to bring its drive for funds to a close Saturday, May 31.

In response to appeals made by letters and by personal solicitation, approximately \$400 has been raised to date with still several solicitors to be heard from. The committee expects to exceed the sum of \$500, which is Highwood's quota toward the support of the North Shore Area Council of Boy Scouts.

A great deal of interest and confidence has been shown in the Boy Scout movement in our city by the generous response of the people, in spite of a great deal of unemployment. The committee wishes to thank

those who have so whole-heartedly supported the drive thus far and assure them that contributions made to the Boy Scouts are investments of the soundest kind, yielding more per dollar than any other on the market. They are investments in clean manhood and good citizenship for the future.

If you have been overlooked and wish to contribute, please send your check to Mr. Otto F. Fisher, care of Ermine Cleaners, Inc., Highwood, Illinois.

Our School Laws are of

1870

-but we live in 1930!

The citizens of this community demand a better school system than is to be found elsewhere. School laws written in 1870 will not do for our schools in 1930.

Citizens interested in our school system are urged to attend the mass meeting at Elm Place Auditorium Monday evening, June 2nd, at 8:00 p. m. The Honorable B. F. Lewis, Mr. E. C. Wolcott and Mr. R. Arthur Wood will speak.

Signed: Citizens Committee on Grade School Education in Elm Place - Green Bay District.
